Round 10

24TH JUNE 2023

## ACROSS MY DESK by Football Operations Manager Aaron McLean

### Round 9:

Congratulations to the following Senior Football winners in Round 9:

- Diggers Rest
- Lancefield
- Macedon
- Riddell

The following Senior Women's winners:

- Kyneton
- Macedon
- Woodend-Hesket

And the following A grade Netball winners:

- Melton Centrals
- Western Rams
- Riddell

We also saw a thrilling tie between Macedon and Romsey!

### Pride Round

Kyneton and Mount Alexander Falcons will battle it out for the Pride Cup on Saturday at Kyneton Showgrounds, while Western Rams will be wearing rainbow socks in their clash against Riddell. The RDFNL aims to create an inclusive environment at all of our matches and hope that our players, officials and supporters enjoy the day.

### Milestone Games & Feel Good Stories

Thanks to our Clubs who have sent in their milestone matches and feel good stories throughout the season. We are here to promote our Clubs, our players and our volunteers so if you would like to share any of the above, please send through to Grace at [grace@rdfnl.com.au](mailto:grace@rdfnl.com.au)

### Supporters, Players and Officials Behaviour

Unfortunately, we've started to see an increase in poor supporter, player and officials behaviour and language, whether directed towards umpires, players, officials or volunteers. This won't be tolerated by the RDFNL and I ask that everyone treats each other with respect as everyone is doing their best.

### Live Scoring and Team Sheets

A reminder to all Clubs that live scoring is compulsory for RDFNL Senior matches. Please assist us in marketing our League with up-to-date live scores of all our Senior matches each weekend. Please ensure all team sheets are accurate online at the beginning of the match. With umpires now completing the votes online, the team sheets must be accurate to allow umpires to select their 3-2-1.

### Round 10

Best of luck to all teams in Round 10

## ROUND 10 RDFNL PREVIEWS

### with Grace Bibby

#### Melton Centrals vs Lancefield

Last time they met there was little separating and the stakes are rising as each team pushes to close the gap between them and the top end of the competition.

Lancefield are well depleted with 10 of their better senior players now missing from their squad through injury.

The four points here for either team will still give them a realistic chance of playing finals but for the loser it will be a case of what if.

Both teams can be super proud of the way they have competed and improved in season 2023.

#### From the Coaches:

Melton Centrals: We had our chances against Diggers so we have to take some positives out of the loss. It was really only one quarter where our mids got touched up by their class. We are just lacking a bit of polish but we are playing with so much effort and heart. Our top 12 players have been awesome we just want to keep working on our depth and offer them more support and be able to make more rotations. We are desperate to win the next two and give ourselves a real chance. Reward ourselves and our hard work. We are a much better club now. The boys are showing more care and respect on and off the field and we are really happy with the entire group on and off field.

Lancefield: We played really well on the weekend. We put the Rams away early but it was probably our best four quarter performance where we played the style we have been chasing. We are bringing in plenty of players due to injury and the boys get the job done. Melton Centrals are a team that are really good at congested play. We will want to get out, open it up and get some outside run. They're probably a better team than their results suggest. Shout out to Robbo and his partner for welcoming baby Lily Kim into the world. He is back training this week and we can't wait to have him back on the park.

#### Players to watch

Melton Centrals: Jobson will be a key target up forward and may get a second or third defender. If he gets a sniff early he could kick another bag.

Lancefield: With so many senior players out the pressure will be on O'Meara to get the job done for the Tigers.

Prediction: Melton Centrals to get the better of the Tigers this time around

#### Wallan vs Romsey

Round 9 delivered some disappointing results for both these teams and they will each be looking to bounce back this weekend.

In tough conditions Wallan failed to adapt and it proved costly in a low scoring game.

Romsey injected some AFL experience with coach Justin Sherman pulling on the boots but it wasn't enough for them to overcome Macedon.

#### From the Coaches:

Wallan: While the result was disappointing the conditions were very tough and Riddell adapted better in the wind. I don't think there was a goal kicked down one end all game. Full credit to Riddell though they executed in the big moments and we fell short. That is three tight losses to our group but we continue to learn from them. We have been leading late in the game and haven't got the four points. Romsey were impressive in round one and have had a pretty good start to the season. It is pretty tight on the ladder so this game looms as critical for both teams.

Romsey: It was a game that got away from us. The conditions weren't easy and we have had a few injuries but we are not making any excuses. Macedon come to play and we weren't good enough to hold them off. This week is another big test for us. Wallan have had a tough run and will be hungry for a win and we don't want to drop another one after a few lean weeks. This is a very important game for all involved.

## ROUND 10 RDFNL PREVIEWS

### with Grace Bibby

#### Players to watch

Wallan: Nash King impressed in his first RDFNL appearance and will only get better but how much of the young gun will we see in the black and white?

Romsey: Nathan Rayment was this weeks Premier Data player of the week with a superb all round performance.

Prediction: Wallan to bounce back from a tough loss last week.

#### Western Rams vs Riddell

Riddell have set themselves up to get a good run at the second half of the season with a win over Wallan. Most people would have tipped Wallan and going in as the underdog was pleasing for Riddell. The win over Wallan gets them back inside the top 5. Western Rams are still searching for their first victory in a number of seasons.

#### From the Coaches:

Western Rams: It was great to see the Rams reserves get the win on the weekend. Everyone is trying a lot of things at the club and some reward for effort is always pleasing. Western Rams know they have improved a lot in the seniors too. A win might not be around the corner but Rams are a lot better placed than this time last season. The Rams are looking forward to the challenge of the reigning premiers.

Riddell: It is nice to get a really good win on the board. It sets us up for a strong second half of the season after a disappointing start. We barely got to the break with sore bodies and injuries but we have had a chance to freshen up and are better for it. It was a pretty miserable day but we got the win which was important. This week is another test and another opportunity for us to add four points to the board.

#### Players to watch

Western Rams: Anthony Close was the Rams only goal kicker in round nine.

Riddell: Tommy Alkemade made the windy conditions look easy in the win over Wallan.

Prediction: Riddell to take the points comfortably.

#### Woodend Heskett vs Diggers Rest

There is just one blemish between the two teams and it came during there earlier meeting. Diggers Rest held on against a gallant Woodend Heskett but both teams are arguably playing better football now. Will the two week break help or hinder the Hawks as they try to deliver the Burra boys their first loss of season 2023.

#### From the Coaches:

Woodend Heskett: It is an odd one to have the extended break. It has been good to rest and freshen up and we look forward to taking on the league leaders this weekend. We will be raring to go and hopefully we are up to the challenge and can turn the result from earlier in the year around.

Diggers Rest: It was a pretty scrappy sort of contest. They play a really tight contested game style and do it well. We were really happy with the way we kept at it and found a way to win. It wasn't pretty but we will take the four points. This week is a definite danger game for us. We need to play four of our best quarters of football if we are to compete with the Hawks who play their ground extremely well and are a very good team this season.

#### Players to watch

Woodend Heskett: Playing coach Josh Pound has missed the last few games through a soft tissue injury will he come back into the line up for this block buster.

Diggers Rest: Marcus Calvaresi has been a quiet achiever so far in season 2023. He gets plenty of the football week in and week out and has been one of the many players to step up in the absence of their captain.

Prediction: Diggers Rest to remain undefeated with a tight win over Woodend Heskett.

## LANCEFIELD FOOTBALL NETBALL CLUB

### Club Notes

Last week was a great occasion for the Lancefield Football Netball Club as they clinched their 2nd victory of the season in the seniors' football match. The players' hard work and dedication paid off as they emerged triumphant 102-13 against the Western Rams. It's always good to get a win but the pleasing aspect was the even contribution across the whole side and the brand of football they played. Ben Bryant and Jack Radford top scoring with 3 each and there was a good spread of goalkickers across the team. With several good players still to come back from injury we're hoping for a big 2nd half of the season. In the reserves' game, it was a see-sawing hard fought battle that had everyone's eyes before a late goal saw it slip out of Lancefields reach. Nathan Scott booting 3 for the Tiges, Jack Woodburn has hit the ground running since returning from injury while Rhys Barber & Scott Stringer continued their good form.

On the netball front, the club's netballers showcased their prowess, even against tough opposition. Although the A grade side didn't secure victory, their display of skill, teamwork, and determination was commendable and showed they aren't far off it after starting quick and going into quarter time with an early lead before being overrun. The B's was a thriller, barely a point separating the 2 sides all day before the Rams edged clear to win in the dying

moments by 2 goals. Tarni Hammond top scoring with 35 goals. C grade rightly found the going tough as they took on one of the leagues top sides but stuck to their guns throughout, the defence doing a great job to restrict one of the top teams scoring. The U/19's had possibly the toughest job of the day when they took on the clear ladder leaders but still gave it their all and they continue to develop and grow as a team.

In addition to the on-field success, the Lancefield Football Netball Club extends its thanks to everyone involved in organizing Saturday nights beer pong night. This event not only gave Lancefield's elite beer pong athletes the stage to shine but served as a reminder of just how awful some peoples wardrobes are. Special mention to Michael Braszell, John Morgan, Reuben Schembri, Kira Baldwin and Amber Winks. May your wardrobes never see the light of day again. The laughter and fun displayed by everyone who attended exemplify the tight-knit community that we are building at our club.

The fun doesn't end there. Put Saturday August 5th in your calendar now! The club will have 'The Suburban Footballer' comedian Tom Siegert on. This will sell out quickly judging by the enquiries we have had already so be ready to go, more details soon on our socials so make sure you follow us.

**WOODEND-HESKET FOOTBALL NETBALL CLUB***Club Notes*

For most of our teams the recent break from football and netball came at the right time as players were able to get over some niggling injuries and rest up ready for the second half of the season.

Last round, the 19's netball team enjoyed a comfortable win over the Giants and are really showing a lot of improvement and determination to work hard as a team. Kellie and Sarah Duff are focusing on developing the players skills and building a team that supports each other and works hard for each other. The team is looking forward to continuing to improve over the second half of the season.

The senior women's football team had a good win over the Falcons, this time playing in clear sunny conditions unlike their last game. It's been terrific to see the players improve over the season, especially those new to the game. The team's accuracy in front of goals is improving and they are looking forward to playing Romsey at home this round.

This round we host Diggers Rest at home, a club which is strong across both football and netball. The seniors are looking forward to taking on Diggers as they are the only team they have lost to so far this season. It's sure to be a great contest across football and netball.

This round we are also hosting at home our Sponsors and Club 50 day. This day recognises and thanks all of the businesses who sponsor the club and the key supporters who participate in Club 50. Without the support of both groups, we would not be able to provide the opportunities we do for all of our players and supporters. The club is extremely grateful for the financial support provided by these two groups. Please join us in the social rooms from 1pm.

The club relies on sponsors to ensure we are able to provide the best experience possible for our players and supporters. Thanks to our round sponsor Woodend Hardware for their continued support of the club.

## WALLAN FOOTBALL NETBALL CLUB

### Club Notes

Another huge weekend of netball and football. Wallan certainly lived up to its reputation yesterday with gale force winds making it extremely difficult for all footballers and netballers.

The focus of the weekend was to support MND. Stevie Bell organised socks for all the male and female footballers. Many also purchased beanies. Unfortunately the crew socks were in very short supply so the netballers weren't able to wear them. Another massive fund raising effort by Stevie. Thank you to the Riddell Umpires who wore their MND beanies, great to see. Thank you to everyone who supported this cause!

Fantastic to see so many giving up their time to help out. Particularly the footballers helping Christian Birch with the Under 19.5s, Brian Lawrence, Angus Love, Brayden Byrne, Kaiden Broomfield and Matthew Wood. Then Matt did the running for the Reserves, while Luke Young and Spencer

Whittingham did the running for Seniors. Meanwhile at netball Georgia Kate and Amanda Caitlin continue to do great work coaching the 19s and C Grade assisted by Lucas Bennett-Hullin and Amy.

The Women's team joined the Senior men's team for the pre game and supported the teams throughout the whole day. Great effort ladies! On Sunday the ladies had a hard fought win, with a fantastic team effort.

Congratulations to Nash King on his first senior game, he looked at home and made a great contribution to the team.

A huge thank you to everyone who helped out across the weekend. Everyone's contribution helps to build a strong and successful club.

On Friday night the Club18s will host Yarraville Seddon and on Saturday we welcome the Romsey FNC.

Go Wallan

### Club Notes

Hello all Redback supporters

Well a mixed day at Macedon last week with the 19s and reserve's coming home with wins but our seniors gave up a game they should've won.

Netball was also a mixed bag with under 19s and A grade getting draws and c & b grade going down.

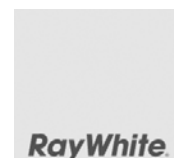

This week we head over to Wallan which is a must win for all our teams.

We would also like to thank all our sponsors who continue to support our great club. Without your generosity, our club would not survive.

Also a special mention to the committee who continue to work tirelessly to make sure our club runs smoothly week in, week out.

They say ladies first & so we'll kick off with a huge congratulations to all 4 netball sides who won last week at windy Wallan!

The girls are flying at the moment with all 4 sides on track for finals which is a magnificent effort. Keep up the great work ladies!

Make sure you go & watch the girls whenever possible as they love the support!

The Seniors came away with gutsy, hard fought win at windy Wallan which just may catapult us into a huge 2nd half of the year! A whole team effort which was extra special due to the calibre of more experienced players missing due to

injuries. The U19.5's & Reserves tried hard but couldn't get the 4 points in very trying conditions.

Don't forget that we having our annual Ladies Day function next weekend (1st July) at our home game against Woodend! For details please see Emma Croft or Lauren Nolan.

**SAVE THE DATE:** Sunday 30th July - Last Man Standing - see any player for tickets!

Lastly, a big shout out to our favourite BBQ man Johnny Attard who is recovering from major heart surgery! We love ya Johnny & miss you & wish you a speedy recovery!

## Club Notes

Round 9 Macedon hosted Romsey, believe it or not the sun was shining, though the wind could cut like a knife. U19 netballers put on a fantastic display and even though they produced some amazing goals the game ended in a draw, with both sides scoring 20 goals each. C Grade put on a clinic with an impressive 56 to 18 victory, B Grade were strong from the opening minutes of the match, they went on to win 43 to 28. A Grade also drew 40 all.

Friday night saw our 19.5 lads battle Gisborne Giants, the score line was ever changing and neither team were able to get a break on each other. Cat's eventually succeeded winning by a point margin, retaining their spot on the top of the ladder. Rutledge, Monaghan, McDonald & Armour were our goal kickers. An all-round fantastic team effort.

Reserves: A tough day at the office for the boys, being undermanned did not help them at all, credit to them all for not giving up and playing hard until the final siren sounded. Best on went to young Ollie Coppin who showed pure grit and determination through out the game. Long time club favourite, Captain Nigel Bloomfield has been a

great inspiration to our younger players, giving them confidence and self-belief. He is not only one of the nicest young men at the club he is a wonderful & devoted father of 3 of the most gorgeous and well-behaved children at the club. Thank you for your dedication, Nigel.

It was great to see the Seniors take out the 4 points against the Redbacks, Phyland had a day out booting a magical 6 goals. James 'Nipper' Wright was back to his old form, tearing around the ground like a young colt, thus earning him best on ground.

Our women's team were nothing short of amazing, they kept Romsey scoreless in the first quarter, at half time they were 35-point ups. With 10 individual goal kickers it proves that they are all working together to be one fantastic team. The girls went on to win by a mammoth 81 points. Well done to you all.

# GISBORNE GIANTS FOOTBALL NETBALL CLUB

## Club Notes

The half-way mark of the season produced another classic encounter between the Gisborne Giants and Macedon Cats.

In the same round encounter last year, Macedon won the game with a kick after the siren, so the Giants were desperate to turn the table in their favour.

The Giants started the match strongly though, with several missed scoring opportunities, they weren't able to convert their first quarter dominance on the scoreboard. The beginning of the second quarter saw the game become a close and physical contest with neither side being able to score freely; the low scoring and hard-fought encounter was only separated by a few points for the entirety of the game.

Unfortunately for the Giants, an errant free kick late in the final quarter resulted in a fifty-metre penalty with Macedon Cats having a shot for goal from about ten metres directly in front. This put Macedon three points up and were able to hold on till the final siren, handing the Giants their second defeat of the year.

Round 9 Netball, had the Giants playing on a chilly Saturday morning against

Woodend at Gilbert Gordon Reserve.

The girls started their game with strong pressure throughout the court. In defence, the Giants brought the ball down with great passages of play into attack, bringing training practice to the game.

The determination to have a competitive game was defiantly visible.

Unfortunately, there wasn't enough opportunity for shots at goal, as the Woodend defence kept up strong pressure causing unforced errors.

The score at half time not reflecting the games quality. 19/7 down. Giants worked hard in attack in the second half continuing with positive passages of plays down the court. A few too many unforced errors again made it hard to get results. In the last quarter Woodend were adding the pressure, keeping the ball in their attack, proving too strong for the Giants going down in the end 36/12.

As always, the team spirit and effort on the court is a strong asset to the Giants team. With the first round completed let's hope for a win in the second round of our inaugural season.

## ROUND 8 WOMENS PREVIEWS

### with Grace Bibby

#### Kyneton vs Mount Alexander

Kyneton: It was a battle between first and second and Kyneton made sure they went into the pointy end of the season as premierships favourites. They beat Melton in all the statistical areas and dominated play.

Kyneton are the most balanced team in the competition and are rightly everyone's pick to take home the flag.

Mount Alexander: The Falcons were very competitive against Woodend Hesket. They got plenty of the football but just didn't do enough with it. The Falcons have no issues putting their head over it and winning the contested ball but their disposal efficiency is letting them down. IF they are to be competitive this weekend they will need to bring four of their best quarters.

#### Players to watch

Kyneton: Jordan Savoia bagged two goals last weekend. It was Jordan's first appearance in the RDFNL

Mount Alexander: Casey Sowula reads the ball so well and is often a key player in turning defence into attack.

**Prediction:** Kyneton have proven to be the best team in the competition and don't look like being beaten any time soon.

#### Woodend Hesket vs Romsey

Woodend Hesket: As we said last week Woodend Hesket are a very well skilled side. This week they had less of the football but were able to do plenty with it and dominated on the scoreboard.

They continue to run with numbers through the middle and Mariam Habib and Kat Bau provide their forwards with plenty of marking opportunities.

Romsey: After promising signs in their last outing Romsey once again were held goal

less. The Redbacks just could not get their hands on the football and were starved of opportunity close to their goal.

#### Players to watch

Woodend Hesket: Kat Bau was once again our player of the week. Kat just continues to go from strength to strength in the senior competition. It is easy to see why she had cleaned up junior awards in recent years.

Romsey: Too many times Romsey are relying on Nicole Steward and Eilish Flagg. It is time for someone else to stand up and get going.

**Prediction:** Woodend Hesket will be too strong for Romsey

#### Melton vs Macedon

Melton: It has been a big couple of weeks for the Bloods. They will be looking to put some of their woes behind them this weekend with a new coach at the helm. Melton look like finishing in the top two but they cannot afford to slip up along the home straight.

Melton have some intercept marking players but they just could not get the ball inside their forward half of the ground with any composure.

Macedon: Macedon dominated their opposition last weekend. They found plenty of the football and didn't give the Redbacks a chance to get going. Macedon do a good job of linking up with handballs and running the football out of defence.

#### Players to watch

Melton: Rhiannon Carra was the only player to take a mark inside 50 last week and she also got plenty of the football.

Macedon: Anastasia Fisher is a high pressure player who gives the opposition no time or space.

**Prediction:** This game could go either way but I think Macedon will cause an upset.

### WOODEND-HESKET WOMEN'S FOOTBALL NETBALL CLUB NOTES

For most of our teams the recent break from football and netball came at the right time as players were able to get over some niggling injuries and rest up ready for the second half of the season.

Last round, the 19's netball team enjoyed a comfortable win over the Giants and are really showing a lot of improvement and determination to work hard as a team. Kellie and Sarah Duff are focusing on developing the players skills and building a team that supports each other and works hard for each other. The team is looking forward to continuing to improve over the second half of the season.

The senior women's football team had a good win over the Falcons, this time playing in clear sunny conditions unlike their last game. It's been terrific to see the players improve over the season, especially those new to the game. The team's accuracy in front of goals is improving and they are looking forward to playing Romsey at home this round.

This round we host Diggers Rest at home, a club which is strong across both football and netball. The seniors are looking forward to taking on Diggers as they are the only team they have lost to so far this season. It's sure to be a great contest across football and netball.

This round we are also hosting at home our Sponsors and Club 50 day. This day recognises and thanks all of the businesses who sponsor the club and the key supporters who participate in Club 50. Without the support of both groups, we would not be able to provide the opportunities we do for all of our players and supporters. The club is extremely grateful for the financial support provided by these two groups. Please join us in the social rooms from 1pm.

The club relies on sponsors to ensure we are able to provide the best experience possible for our players and supporters. Thanks to our round sponsor Woodend Hardware for their continued support of the club.

### ROMSEY WOMEN'S FOOTBALL NETBALL CLUB NOTES

Hello all Redback supporters

Well a mixed day at Macedon last week with the 19s and reserve's coming home with wins but our seniors gave up a game they should've won.

Netball was also a mixed bag with under 19s and A grade getting draws and c & b grade going down.

This week we head over to Wallan which is a must win for all our teams.

We would also like to thank all our sponsors who continue to support our great club. Without your generosity, our club would not survive.

Also a special mention to the committee who continue to work tirelessly to make sure our club runs smoothly week in, week out.

## WESTERN WATER NETBALL REPORT by RDFNL Netball Manager Grace Bibby

Burnout is real especially if you're an administrator, volunteer or a coach. Administrations, volunteers and coaches understand the 'can't wait for the season to be over' feeling. Sorry everyone else.

The old 'buck stops with us' for results, organising and special requests can be extremely draining.

How can we start preparing for weeks in advance and how do we prevent repeating this same feeling or burning out year after year?

I've got a few tips you might like to try:

**1.** Say no. If you've been asked to Coach more than one team....think again. Ask yourself, can I give 100% to more than one team? Whatever the outcome, be measured in your answer for 'yes' I can Coach two teams or 'no', I can only Coach one team

**2.** Organise an amazing Manager. This is one of the best decisions you'll make. Ask someone who is prepared to go above and beyond to make sure all those little things which can end up being huge things are attended to

**3.** If you are a coach prepare your sessions. Before the season even starts map out your sessions. Eg if you only have one hour per week, then introduce skills that builds the individual and creates a skilled team.

**4.** If you are an administrator map out your season. What needs to be done at the end of the year that can be in

progress during the year, what needs to happen on Saturday/Sunday that I can knock over early in the week.

**5.** Introduce a Facebook page or WhatsApp for communication with parents/players depending on the age of the players. The more that can be communicated to a group the more time you will save.

**6.** Upskill. If there are Coach Education Courses on offer, sign up. Point of difference between Coaches that want to improve and those who are babysitting can be in acquiring knowledge. Coach Education is empowering and brings new energy into your Coaching world

**7.** Control what you can control. If you can't change the outcome don't let it change you. Things are always going to happen outside of your control sometimes it is easier to just go with it than fight it. If you choose to fight it what are you getting out of it?

**8.** Be kind to yourself. Yes, it's a privilege to Coach players, to be involved in sport but, hey, pat yourself on the back because it is a privilege for them to be Coached by you and for them to turn up each week with equipment, umpires and scorers.

We are now reaching the mid-way point of the season and it is a great time to sit back, watch the smiles on everyone's faces and know you played a part in community sport in 2023.

## WESTERN WATER NETBALL PREVIEW

by RDFNL Netball Manager Grace Bibby

Round nine was an interesting round with windy conditions creating varying results.

A lot of teams took early leads but were unable to hang on while Macedon's comeback resulted in them and Romsey sharing the points.

There are some more enticing match ups locked in for round 10.

### MELTON CENTRALS VS LANCEFIELD

Melton Centrals recorded another win on the weekend but it wasn't one of their strongest performances.

Melton Centrals worked hard to get the game but on their terms but they will want to get a better start against Lancefield this week.

They will also be hoping a few of their regular players come back into the line up.

Emma Winzer was impressive in a low scoring games scoring 16 goals in the second half to win the game.

For Lancefield they continue to change things up under new coach Stacey Parks.

Chloe Hodgson was named the best player on the court for her game in centre while Darcee Ellard and Kira Baldwin continue their strong seasons down either end.

Melton Centrals are on the verge of playing finals in the A grade competition for a first time in a long time and if that is to take place they will need to take the four points over the winless Tigers.

**Prediction:** Melton Centrals to continue their strong form with a victory.

### WALLAN VS ROMSEY

These two teams have had very different starts to their season. Wallan got some close wins on the board early while Romsey have improved of late.

There might be a bit of spice in this one following the close hard fought game and some post match comments earlier this season.

Georgia Stevenson has had a great start to the year and made the goal keeper position her own while Rebecca Konstantopoulos was impressive in goal attack.

Wallan were strong out of the blocks against Riddell but were unable to maintain their form across the four quarters.

The wind certainly didn't help either team and as a result it was a game of two different halves.

Romsey were also in the box seat to claim their first big scalp of the season but unfortunately the strength of

Macedon shone through and they clawed themselves back into the contest late.

Macedon went into the last quarter down by 7 goals and were able to finish with a draw.

Fatigue may have been an issue for Romsey with young gun Emily Miles giving her all for four quarters in the mid court along side Cayley Blair.

**Prediction:** Romsey to change the result from earlier in the year and get the win.

### WESTERN RAMS VS RIDDELL

Western Rams best netball is as good as anyone in the league but will a strong run home be enough to see them play finals.

A win here would certainly make life easier but they won't get that without a bit of a fight coming up against Riddell.

Both teams recording round 9 wins.

It will be a bit of a shoot out for these teams if Shelby Holter and Malia Seumanutafa can continue their form.

Both players were named best on court for their respective clubs last week and both girls are capable of shooting ridiculous amounts of goals at a strong percentage.

Western Rams really need a couple of results to go their way in the back end of the competition and this would be a strong start.

**Prediction:** Western Rams to cause an upset against Riddell.

### WOODEND HESKET VS DIGGERS REST

A lot has happened since these two teams faced off in the A grade grand final last season.

Woodend Heskett have retained most of their playing group and are going well while Diggers Rest are struggling.

The Burra girls continue to try their best but their team is different each week with many juniors and lower grade players stepping up to help out.

Maggie Payne is the general in defence and still dominates the last line.

Woodend Heskett have a couple of weeks off with the long weekend followed by the bye.

Diggers Rest will be hoping to catch them napping early but it is hard to see Diggers Rest maintaining their competitiveness for too long in this one.

**Prediction:** Woodend Heskett to win comfortably.
