## ROUND 2 RDFNL PREVIEWS

### with Grace Bibby

#### Riddell versus Western Rams

It could be a long day for Western Rams as they come up against Riddell. Riddell were slow starters this season losing their first match at the hands of Woodend Hesket but they bounced back strongly with a win over Macedon.

For Western Rams Dane Swan provided plenty but it wasn't enough to see them over the line against Melton Centrals. The Rams were competitive early against Centrals but they will certainly be tested today.

#### From the Coaches:

Riddell: We certainly came out a bit slow on Good Friday. We let the conditions get to us and we were much happier with our second hit out. We really came to play and the only real difference was our work rate. We have a few out and away this week so it is a good opportunity for some players to stand up and out their name in senior contention.

Western Rams: The boys are travelling well. It was always going to be a challenge in round one with basically having a whole new side. We had some very real chances to convert early against Melton Centrals. We have been working on structures along with our fitness over the extended break. Riddell have been a great club for a long time and it will be a big test for us. We just want to continue to get to know each other and improve.

#### Players to watch

Riddell: Dylan Tarczon blew the Premier Data stats up last week and is in ominous form.

Western Rams: Anthony Bowyer was amongst the best players in his first game for the club and providing a spark when he kicked one of their two goals for the day. He will be hoping to hit the scoreboard again this week.

**Prediction:** Riddell to take the four points from this one.

#### Melton Centrals versus Wallan

Both teams come into their second-round match with a win under their belt from round one.

Melton Centrals kick off their season on the first of April against Western Rams.

Will Thornton Gielan was one of the more dominant players on the ground.

Wallan were a new look team with 10 new players in their senior team and their run was too much for Romsey to handle.

Wallan had three sets of brothers player together which included the Baccari brothers, Gilchrist brothers and Langborne brothers, which is an amazing story in itself.

#### From the Coaches:

Melton Centrals: It has been an interesting few week having played and then sat out. We have had a few light training sessions either side of Easter and looking forward to getting our teeth stuck into it again this weekend. We were happy to get a one round win but we don't think we played our best football. We have a few blokes who are missing this weekend so Wallan will test us. They have even contributors across the board and we need to make sure we get our forward match ups right. These are the kind of games Centrals need to start being more competitive in.

Wallan: I was really pleased with the boys. We had 10 players make their senior debut and they supported each other extremely well. We still have plenty to work on and it will take time to gel but it is a very exciting young group to coach. Melton have a young up and coming list. The weather looks good so it should be an exciting fast game to watch. Centrals always play well at home.

#### Players to watch

Melton Centrals: Evan Donohue was a key player in round one giving the mids first use of the football expect him to be huge again today as the two young ruckman go head to head.

Wallan: Hayden Gill led the way in the Wallan midfield and will be one to watch again this weekend.

**Prediction:** Wallan to make it a perfect start to their season.

## ROUND 2 RDFNL PREVIEWS

### with Grace Bibby

#### Woodend Hesket versus Lancefield

Woodend Hesket's strong start to the season was short lived as they fell to last years runner up Diggers Rest. Woodend Hesket dominated their Good Friday clash in wet conditions over Riddell and their new recruits looked to be settling in well but the class of Diggers Rest showed through.

Lancefield will play their first game this weekend under new coach Tim Bannan after they sat out round 1 with a bye.

#### From the Coaches:

Woodend Hesket: We obviously came out and had a super win over Riddell and I think we were mostly competitive against Diggers Rest. We definitely have things to work on but to play the grand finalist from last year and slit the results is a great indication of where we are at. Every game is a new challenge and we haven't seen Lancefield yet.

Lancefield: We are still in the world of the unknown. We are ready but it is going to be a tough ask. They are a very good outfit Woodend Hawks. All in all we have had a very good preseason and we are ready to go. We have had some really experienced players who have come in and have sacrificed their own games to help others which is exactly what we need to move forward. We just want to stick to our structures and give our all not just against Woodend Hesket but every week. It is our 150th year as a club and we want to make everyone proud to be a Lancefield member or supporter.

#### Players to watch

Woodend Hesket: Daniel Toman will be a name that gets plenty of attention this season and he has made a good start to the season.

Lancefield: Tom Waters has taken a step back from coaching and will be able to play more freely this season. He has been one of the dominant ruckman in the comp for a few years now.

**Prediction:** Woodend Hesket to bounce back with a strong win under lights at Gilbert Gordon.

#### Macedon versus Diggers Rest

Anzac Day provides a big opportunity for both clubs as they battle in out for bragging rights.

Diggers Rest started the year strongly with an impressive win over Woodend Hesket while Macedon were no match for a strong Riddell as they bounced back.

There is no secret the recruits for Diggers Rest have made a big difference but will they be able to pull it together on the big stage.

#### From the Coaches:

Macedon: It was a really disappointing day for us. Nobody was pleased with our performance and probably only Jack Kernan could genuinely say he won his position. Aaron Morham and Chris Kendall went okay and Brad Cooke was a shining light kicking three goals. Diggers look the team to beat right now and we have to improve in the contest and defensively to give ourselves opportunities. We need to learn from Saturday take the medicine then execute better.

Diggers Rest: We were really happy with how we started the season. We really won the ball out of the middle and it was good to see our confidence grow in the midfield. I think the stats said it all and the clearances were well in our favour. It was nice to get through the first game without any injuries too. Anzac Day is always a big occasion and Macedon always put on a great day. The football is important but there's a bit more to it. We love doing the dawn service together then go away and have a few hours to yourself before you switch on.

#### Players to watch

Macedon: Hamish Govan will be back from his one-week suspension he served from last season. He alongside Jason Cooke are two hardy inclusions for the Cats.

Diggers Rest: Ryan Mullen was everywhere in the Burra's win over Woodend Hesket. Keep an eye on him in the midfield again on Anzac Day.

**Prediction:** Diggers Rest to win

## TACKLE YOUR FEELINGS

Essendon are partnering with the Tackle Your Feelings (TYF) program to make mental health training available to community coaches, in 2023. Tackle Your Feelings is a free mental health training program for community AFL coaches, as well as committee members and other club support staff. The program is delivered by a local psychologist and aims to help participants gain the tools to Understand, Recognise and Respond to signs of mental ill-health in their players. In 2021, the program was delivered to more than 4000 community coaches from 352 clubs across every Australian state and territory. 'Tackle your Feelings' was inspired by mental health education developed for AFL professional coaches and players, consisting of a face-to-face presentation from a local psychologist and additional online learning. Ambassadors include Leon Cameron, Alastair Clarkson, Nathan Buckley, Neville Jetta, Kara Antonio and Dylan Buckley also feature throughout

the video content within the program. The program was formed by the AFL Coaches Association, AFL Players' Association and Zurich Insurance in 2018, after the tragic death of Adelaide coach Phil Walsh three years earlier.

### How your club can get involved

Tackle Your Feelings is a free program and is available to your club in 2023.

Once coaches complete the training (workshop and online modules) they will have access to resources including blogs, podcasts and videos to assist with their ongoing learning. Participating clubs are eligible for the Tackle Your Feelings rewards program, which includes footballs, equipment and access to program ambassadors.

## MELTON CENTRALS FOOTBALL NETBALL CLUB

### Club Notes

Centrals return to Arnolds Creek for our first home game of the year following our Round 1 clash with Rockbank. Congratulations to all Committee and members from Rockbank on a wonderful day. Well done to all the Footballers and Netballers from both clubs on a day that was competitive and played in great spirits.

Saturday is our Round 2 clash with Wallan which is always a tough contest, hoping to see as many supporters and members there to support our teams and continue the momentum created from Round 1.

Special mention to our A Grade netballers who had a great win against quality opposition, well done to Randy and the girls.

For the first time in a couple of years Centrals fielded an Under 19.5s football team who represented the club with great passion in their first hit out against a strong Woodend team well done to Coach Kane and the boys who will benefit from their first game together and will only get better.

Make sure you get to The Creek on Saturday and support our footballers and netballers.

# MACEDON FOOTBALL NETBALL CLUB

## Club Notes

MFNC welcomes you to Tony Clarke Reserve and invites you to take part in our 2023 Anzac Day Service, to remember all those who served their country in all wars. Anzac Day was officially named in 1916; 12 months after the Australian & New Zealand Armed Forces formed the Allied Expedition. They set out to capture the Gallipoli Peninsula; they became known as ANZAC's. The pride they took in this name continues to this day.

This is one of the biggest days of our season and we welcome you all to the club. A short service will be held at 1.30pm prior to the commencement of the senior game to pay tribute and remember those who have served in all wars. At the conclusion of the senior football and netball games the Grumont Medal & McDougall Medal will be presented to the Most Courageous player.

**Grumont Medal & McDougall Medals** are named in honour of two of our local families who valiantly served our country.

Henry Grumont married Miss Mary McIntosh; they resided in Upper Macedon and raised 10 children. **Arthur Laughlin Grumont** was the first of their sons to enlist on 14th April 1914; he joined the 9th Battalion, H Division. He later became 2nd Lieutenant of 49th Battalion. On Arthur's return to Australia, he was awarded the 1914-15 Stars, The British Medal & the Medal of Victory for his service in 1918. The first tree in Honour Avenue was planted in his name, commemorating the first to enlist from Macedon.

**Colin David Grumont** enlisted on 7th June 1915 as a Sapper. He died from wounds inflicted in France 18th June 1918 aged 21. He is buried at Somme. **James Lindsay Grumont** aged 22, enlisted on the same day as his brother Colin.

He returned home in January 1918 after being badly gassed. The fourth son to enlist was **Albert Charles**, who at the age of 29, joined up on 12th July 1915. He achieved the rank of Sergeant, in July 1918; he was shot and killed between lines at Fromelles. Albert was awarded the 1914-15 Star, The British Medal, and the Victory Medal.

### Mc Dougall Medal

#### Catherine (Kitty) Agnes McDougall 1889-1976

On April 25th, 1917, Catherine enlisted as a Staff Nurse and embarked from Melbourne on the 'Karoala' on that day, her war records show she served in the Australian Army Nursing Service and returned to Australia on February 6th, 1919. After her return from the war, Catherine joined the Good Shepherd Order of Nuns and died in Fitzroy in 1976 aged 87 years. Trees in Honour Avenue, Macedon recognise the contribution of Catherine & her sister Mary for their service to our country.

#### Mary Isabella McDougall 1885-1974

On July 25th, 1917, Mary enlisted as a Staff Nurse and embarked from Melbourne on the 'Somali'. After her return Mary also joined the Good Shepherd Order of Nuns but left and for a time became Matron of Xavier College. Mary became active in the district as an Infant Welfare Nurse in 1952, operating from the CWA Hall at Mt Macedon. Mary died in 1974 at the age of 89 at Nazareth House and is buried in the family grave at Macedon cemetery.

# ANZAC DAY

25th APRIL 2023

Diggers Rest Football Netball Club remembers, honors and pays tribute to all Australians who served and died in war and on operational service past and present.

The spirit of ANZAC, with its qualities of courage, mateship, endurance and sacrifice continues to have meaning and relevance, and we acknowledge the contribution and suffering of those who put their lives on the line to allow us the many freedoms we appreciate in our country, including our ability to share game days on weekends with family and mates in this great competition of Football and Netball.

*They shall grow not old, as we that are left grow old;  
Age shall not weary them, nor the years condemn.  
At the going down of the sun, and in the morning  
We will remember them.*

# ROMSEY FOOTBALL NETBALL CLUB

## Club Notes

Hello all Redback supporters.

Well R 1 has finally been and gone with mixed results across both codes.

Our under 19 boys had a great start and played some good footy up to 1-2 time. Fitness finally started to show with some of the boys cramping up and Wallan ran away with a 9 point lead. But a great effort over all with 3 boys from the 17s helping out with their 1st games in senior level.

Reserves started slow and found the windy conditions a bit tricky. They turned the ball over in many occasions and just couldn't get their game plan sorted.

Wallan run out easy winners in the end but our boys never stopped trying.

Seniors also started strong and led at each change until 3qtr time with

Romsey only kicking 1 goal to 3 goals and eventually going down by 13 points.

Some indiscipline with 4 50mt penalties which cost us 3 goals was the difference at at end.

Saying that, the team as a hole showed us that they have what it takes to compete with the top sides this season.

Our 19 and A grade netball had narrow losses but played exceptionally well and are a big improvement from last season. The C & B grade girls came out firing and played fantastic netball and both came away with strong wins. Wow.

With a by this week except for our 19 boys playing Macedon on Anzac Day. we look forward to Melton centrals in R3

## Club Notes

Round one has come and gone and the Gisborne Giants were fortunate to be on the winning side of the ledger. The Giants got off to a great start by kicking the first 8 goals of the game against Lancefield and even though Lancefield were able to work their way back into the contest, they were not able to influence the scoreboard with the Giants running out comfortable 64 point winners.

A very successful night all round with the Giants inaugural under 19 netball hitting the court for the first time and just going down to Lancefield by 5 goals a great effort by the girls first up.

Special thanks to the Giants committee for all their hard work in getting us to round one and for the terrific during and after game social function which was enjoyed by the large crowd who attended the game.

## WESTERN WATER NETBALL REPORT

by RDFNL Netball Manager Grace Bibby

After just one round of junior and senior netball the behaviour is once again an issue in the RDFNL.

Many club coordinators have had issues with parents, while umpires continue to have issues with players, coaches and spectators.

Use this as a friendly reminder that this is community sport and everyone should feel safe and have fun playing a sport we all love.

There's no denying that spectators are essential to sports. Without the active participation of spectators and parents, clubs would struggle to find players, coaches, administrators, and umpires.

So if you witness any poor behaviour we ask you to call it out.

Poor parent sideline behaviour may include:

Foul language, threats or aggression directed toward the coach, umpire, player or even another parent.

Providing excessive instruction, or coaching from the sidelines. Often, in contrast to what the coach has instructed, generating confusion and embarrassment for players.

Put downs of a player's abilities, in private, or in front of others.

### Parents demonstrating poor sportsmanship

When parents behave poorly at sporting matches, children are more likely to drop out of team sports. Furthermore, if you emphasise a 'winning is everything' attitude, you make the sport less fun, and more stressful for the child. Children are taught that mistakes are not okay, and give up on trying for the fear of the consequences. Also, it's important for us to remember, and to remind our kids that mistakes are natural, and only make better players. Junior sports should be about socialising, keeping active and developing skills, but most importantly: having fun.

### Blaming the umpire

When people blame an umpire for the result of a game, children learn to make excuses for outcomes. During a single match, thousands of decisions are made by umpires, coaches and players. So, to focus on one single decision made by an umpire, as the sole reason for the outcome of the game only teaches children how to absolve themselves of responsibility for their own actions. This leads to children who are less resilient, and who give up when facing adversity, for they feel they have no control over outcomes. Also, criticising the umpires sets an extremely bad example for children. Observing adults abusing an umpire teaches children that, they too may act disrespectfully towards authority figures. Once children learn a behaviour like this, it's common for the rude behaviour to carry over into other areas of their lives, including school, family, and even work later in life. It's also important to remember that umpires are often minors themselves, and only making calls they believe to be the fairest. They don't deserve the verbal abuse they are often at the receiving end of. If you have constructive

criticism to offer, wait until the end of the game, and speak with your coordinator.

### What should I do if I see another parent acting poorly on the sidelines?

It can be quite intimidating to witness another parent acting aggressively on the sidelines, and it's for this reason that you can't sit idly by. Also, if the behaviour makes you feel uncomfortable, imagine how frightening it is for your child and their teammates. Bring it up to the coordinator and stress how important addressing this behaviour is to you. Ultimately, they are responsible for the behaviour of their team's parent spectators and can impose penalties onto the child or the parent. Many clubs have policies to deal with abusive parents which may result in them being suspended or even banned from attending matches. You should not turn a blind eye to this problematic behaviour that is creeping into the RDFNL. Remind other parents of the club's code of conduct, and the consequences of breaching this code. Often, if you privately call a parent out on their poor behaviour, you can curb it before it gets out of hand. Discourage toxic behaviours by making positive comments from the sidelines, and reminding other parents to focus on a child's strengths, and not their weaknesses. Try not to engage in complaining about coaches with other spectators. Often tempting, it can be a difficult habit to break, once started. If you feel you have legitimate concerns, arrange an appointment with the coach to discuss. Remember that coaches want the best for their teams, and should be receptive to easing your worries. Also, you should be respectful and positive towards the parents of the other team, and refrain from making negative comments about their players. When your child sees their parents exhibiting good sportsmanship, they are more likely to display it, too.

### What is good sideline behaviour?

Many clubs have a code of conduct which specifies their expectations from parents and spectators during a match. It may be similar to the following recommendations:

Before and after each game remind your child that you're proud of them. No matter how they play.

Show support and encouragement to all players on the field.

Let the coach "coach", while you simply spectate and enjoy the game.

Honour the decision of the umpire. They make the call they believe to be the fairest.

Don't let the heat of the moment get to you. Ask yourself if your behaviour will embarrass your child, or yourself later.

Thank the coaches and referees for their commitment and effort. Most junior sports officials cite abuse from parents as the most stressful component of the job, which can lead them to quit.

Prioritise fun. Have fun yourself, and make sure your child enjoys the game too.

## WESTERN WATER NETBALL PREVIEW

by RDFNL Netball Manager Grace Bibby

It was a round of uncertainty and near impossible to tip a winner as we had our first look at the grade teams for 2023.

Reigning premiers Diggers Rest went down to last years runner up Woodend Heskett in a grand final rematch but they also recorded their first loss losing to Riddell.

Riddell then went on to lose to Macedon so it's an open race after one week.

Melton Centrals proved they are going to be an improved team in 2023 with an early win over the Rams while Romsey were not disgraced against Wallan.

We can't wait to see what round two will deliver.

### Riddell vs Western Rams

Riddell took little time to stamp their authority on the competition with a good win over the Hawks.

Amy Starzer and Shelby Holter looked comfortable in goals while Ellen Close was not out of place in the mid court.

In their second game their attacking end wasn't as sure and they come unstuck against Macedon.

Western Rams attackers looked the goods in their narrow loss to Melton Centrals, however they were starved of opportunity.

When she got the ball Beyoncé Palavi was certainly impressive in her first outing for the Western Rams.

Both teams will be looking for some early turnovers to settle the attacking nerves.

**Prediction: Riddell to bounce back with a win.**

### Melton Centrals vs Wallan

Both teams recorded round one wins and will take plenty of confidence into the second week.

Melton Centrals have a pretty well balanced team and have played together for some time now.

They all know how each other play and how to bring out the best in each other where Wallan are a very new team.

Led by Gemma Grimmond the team were very physical in their win over Romsey.

This game will be close and another one that's almost impossible to predict.

**Prediction: Melton Centrals to record their second win of the season and start with a 2-0 run.**

### Woodend Heskett vs Lancefield

Woodend Heskett have had two very different outings.

One they were missing reigning Ryan Medalist Ty Coppinger and one where Abby Gilmore was not available

At full strength they look like they could beat anyone but they will need to keep everyone on the court.

Meg Grbac has had a sensational start to the year once again as playing coach.

Lancefield had the bye in round 1 and have had to wait for their time to shine.

Michelle Rix is back at the helm and we know how good she is with a young group.

They showed plenty of promise in 2022 and we expect them to have a few good scalps this season.

**Prediction: Woodend Heskett to win this one comfortably.**

### Macedon vs Diggers Rest

After a big off season with plenty of movement it is hard to see Diggers Rest competing with the skill and experience of Macedon on Anzac Day.

It is a big day for both clubs and following the ever inspiring ceremony both teams will

commence battle at the starting time of 2.05pm.

Macedon have recruited one of the best young talents you will see in Hetty Donoghue but Diggers Rest captain Maggie Payne won't go down without a fight.

Anica Scherer loves playing on the big stage having won the best on court in the grand final as well as the Anzac Day medal last year.

Will we see more of Chloe Williams than we did last week? We have to wait until Tuesday to find out.

**Prediction: Macedon to win comfortably.**
