

ACROSS MY DESK

by RDFNL General Manager Jordan Doyle

Volunteer Appreciation Round

This weekend, AFL Victoria and all Football Leagues across the state recognise the importance of the volunteers at Club land. Without volunteers, our Football/Netball Competitions simply do not run, and our Clubs and League does not exist. We thank everyone at Club land who volunteers each weekend and training night at their Club, right from the President of the Club down to the water boys and trainers and umpires escorts.

J8 Photography

Thanks to Duncan from J8 photography for his ongoing support of the League. Each Monday on the RDFNL Facebook page, we post an album of Duncan's photos from across the weekend.

Live Scoring

A reminder to all Clubs that live scoring is compulsory for RDFNL Senior matches. It is a simple task that is a one person job and can be completed on any smart device. Please assist us in marketing our League with up to date live scores of all our Senior matches each weekend.

RDFNL TV

RDFNL TV has been launched in 2021 and thanks to our great friends at Adcell Group / Red Onion Creative

for their coverage of the RDFNL in 2021. Each RDFNL Senior match is filmed each round and all matches are uploaded to RDFNL TV each Sunday. In addition, we have four highlights packages on our socials and a top 5 plays of the week. These tools are invaluable to the RDFNL and we hope that our followers and supporters are enjoying the extra coverage each weekend.

Club Notes

A reminder to Clubs to submit their Club Notes for the RDFNL Record each week by COB Tuesday night. This is a great way for Clubs to recognise sponsors, promote social functions or fundraisers and acknowledge their players and volunteers each week.

Many of our Clubs have not been taking advantage of this opportunity each week and I encourage all of our Clubs to participate.

Concussion Guidelines

The AFL has introduced new Concussion Guidelines for community football to further align with the Concussion Policy at the elite level. The AFL is taking concussion extremely seriously and we encourage all Clubs and relevant Club trainers to access the Guidelines and implement them at Club level to ensure any player who suffers a concussion is cared for appropriately and does not return to training or matches until it is safe to do so.

AFL Victoria Strategic Community Investment Fund

Round 2 applications for the AFL Victoria Strategic Community Investment Fund (SCIF) for 2021 are now open. The SCIF will provide grant funding of \$1.5 million per year for the next three years directly to local football Leagues and Clubs. The fund is part of the \$18 million investment into Victorian Community Football announced by the AFL in September 2019, the largest investment in community football in the state in more than two decades.

Applications are open and can be made via the online application form at the following link: <https://aflvic.smartgrants.com.au/SCIF>. Please refer any queries or questions to the SCIF Advisory Board Secretary at scif@afl.com.au.

ROUND 6 RDFNL PREVIEWS with Grace Bibby

Diggers Rest vs Wallan

Talking Points

Nothing is more exciting than two powerhouse teams facing off on the back of two big wins.

Diggers Rest look like they have finally found their groove in 2021 while Wallan have been kicking big scores most week.

Both teams do have some injury concerns with Wallan the hardest hit.

We can safely assume both teams will feature amongst the finals but could we have a premiership favourite on our hands following today's performance.

From the coaches

Diggers Rest: We are finally back on track. It will be a great test for us today against one of the leagues bests. We are looking forward to the challenge. We also know that everyone plays better football when you are out smiling and having a good time. We just want to make sure we are enjoying our football.

Wallan: It is a big test for us this week at Diggers. We haven't won there in over a decade and have some serious injury concerns. Diggers are well coached and would be one of the premiership favourites. We are looking forward to the challenge.

Who to watch?

Diggers Rest: Jamie Lobb was happy to give himself best on ground honours last week in their most impressive outing this season and he will be looking to continue that form today.

Wallan: The Schraven brothers have been in outstanding form for the Wallan FNC and will be crucial if they are to win this afternoon. Jesse Davies and Steve Boyall are also players to keep and eye on.

Prediction: Wallan to win in a close one.

Macedon vs Lancefield

Talking Points: Tom Waters will meet with his old club for the first time in 2021. Waters will know every player like the back of his hand

but being able to stop them is another story. Lancefield looked more settled in their game against Diggers Rest despite never looking in the contest on the score board. Macedon would have been disappointed with their loss to Woodend Hesket and will be looking to put four quarters together today and get back on the winners list. They will have to do so without ruckman Rowan Andrews who last weekend suffered a broken jaw, eye socket and cheekbone after some friendly fire. Mitch Blake is also set to miss following a nasty concussion. The game is a later start with the seniors starting at 5pm we hope a big crowd can get along and support both teams.

From the coaches

Macedon: We are really keen to bounce back. We let ourselves down last week and we were uncharacteristically undisciplined which the boys are disappointed with. It just goes to show if you are not switched on you can get rolled any week and that is the approach again this week. Tom Has them on the right path and we need to get back to what we do well.

Lancefield: Even though we didn't get the result against Diggers on the weekend it was definitely the best complete game we have played as a team and sets us up to really Attack Macedon tonight. We will have to keep an eye on Dicky, Hutchy and Cooke and make sure they don't get too much of the ball.

Who to watch? With Rowan Andrews our Jordan Dyer will have his work cut out stopping the influence of Tom Waters. James Falcone has also been a player to step up so far this season and Nathan Malone is consistently in their better players.

Macedon: Matt Dick has been a standout player for the cats to start the year. Opposition coach Tom Waters will be keeping an eye on him and so will we.

Lancefield:

Prediction: Macedon to get back on the winners list. Lancefield won't be without opportunities though.

ROUND 6 RDFNL PREVIEWS with Grace Bibby

Western Rams vs Woodend Hesket

Talking Points

It is not too often that a score is not recorded by a team but that is the reality of the Western Rams. They have been doing a good job rebuilding the club from the inside out and we know better results are not too far away if they stick at it. Woodend Hesket have had an up and down season but a win over Macedon last weekend is up there with one of their better wins in recent years. Ben Tankard will be looking to take that momentum, into this one against the Rams.

From the captain/coaches

Western Rams: We knew this rebuild wasn't going to happen in a year. It's a 5 year rebuild and this is just the start of the journey. As a club we want to continue to improve on and off the track, present in a professional manner. It's going to be a long journey... back us in.

Woodend Hesket: We will have 9-10 forced changes due to injuries this week so we will take the opportunity and give a few younger players an opportunity. Hopefully we can generate some enthusiasm for the new guys and create some pressure for spots in the senior team.

Who to watch?

Western Rams: Sam Mackenzie has been massive down back for the Rams despite the constant pressure. Ash Gray is Mr consistent and we are yet to see him play a bad game in 2021.

Woodend Hesket: Tayte pears is an obvious answer. However it's going to have to be a full team effort from the Western Rams boys to stop all of the young Hawks after a big win last week. James Vistarini impressed last week while Jordan Filakis, Marcus Stapleton and Wayne Patak have all been very consistent.

Prediction

Woodend Hesket should be comfortable winners in this one.

Melton Centrals vs Romsey

Talking Points

Romsey are fresh off a bye but will Melton Centrals be able to come out all guns blazing and have Romsey on the back foot. Melton Centrals will be without their speedster Jarrod Johns in the middle of the ground but some handy inclusions may cover his loss. Melton Centrals best 22 certainly stacks up well but can they compete with several of their best six players on the sidelines?

From the coaches

Melton Centrals: We must have ran under a ladder or done something, we have been so unlucky with injury. I thought we really scrapped well last week and even against Diggers we weren't too far away with a couple of blokes coming back in this week we should be in a bit better position. The last few weeks we have really experimented with different players in different positions but we will get back to our structures today and see what happens. We are confident it will be a better showing.

Romsey: I think we need to get back to being a side that hunts the opposition. We were on the receiving end of that in the last game we played.

Who to watch?

Melton Centrals: Melton Centrals have some big inclusions this week with the likes of Daniel Foley, Tyson Orr, Dylan Clarke and Milan Savic all expected to play after getting through training during the week.

Romsey: Walsh, Pertz, Patterson and Storey are a few players who have impressed in recent weeks.

Prediction

Romsey should be too strong for Melton Centrals, but with a few players coming back in for Centrals never say never.

Club Notes

Last weekend began in fine style with the Club 18s / Thirds playing Woodend Heskett at home. Two very competitive teams put on a great display with plenty of supporters present to cheer both teams on.

Saturday began with a tightly contested Under 19.5s game against Riddell. Both teams making big improvements from the start of the season. Then the netballer began their matches against Melton Centrals with the 19s playing out a draw. A&B grade were able to etch out wins while Melton Centrals took the points in C grade. The Under 10s mascots joined the Senior team in their preparation at 1pm. It was great to see the smiles on the young

boys faces as they spent the afternoon with the Senior boys. Brodie Gilchrist made his senior debut in style. Then as the rain came down the Under 9s played an exhibition match at half time in the Seniors. Despite the weather they enjoyed every moment in front of the crowd.

On Sunday the Women played a very young Montomency team. The women were magnificent in defence. Huge thank you to all the supporters who came out supported all the teams across the whole weekend.

Today we turn our attention to a big test against Diggers Rest and Bloomdale Reserve.

WESTERN RAMS FOOTBALL NETBALL CLUB

Club Notes

The senior side encountered a quality side in Riddell and went down in a spirited effort. The team battled hard from the first siren to the final siren. Some of the better players on the day were Sam McKenzie, Ash Gray, Josh Wills, Hop Madol and Alex Sweet.

An undermanned reserves side were pitted against an experienced Riddell team. The team competed manfully from go to whoa in this match. The final score line was not indicative of the contests that were taking place on the ground. Better players included Erkut, Boonie, Colby, Azza and Aussie.

The thirds travelled to Bacchus Marsh on Friday night to take on the Cobras. The boys started well scoring the first goal on

the match by Marty Kearney. However, the match was abandoned at quarter time after an serious injury to Nathan Turner. The club would like to wish Nathan a speedy recovery from his injury and hope to see him at the club real soon.

Lastly we would like to call out thank you to the following people for their contributions over the last weekend. Lauren Azzopardi, Jacinta Fuzy, Shaun Griffiths, Em Mallia, Bianca Davidson, Todd Dutton and Darcy Smith.

Looking forward to taking on the Woodend-Hesket Hawks in a triple header at Ian Cowie Reserve.

Go Rams !

WOODEND-HESKET FOOTBALL NETBALL CLUB

Club Notes

FOOTBALL

Anyone from Macedon who didn't make the trip up the road to Woodend Heskets Hawks Nest on Saturday probably heard the action anyway ... the crowd around the ground were enthusiastic and vocal in their support for both their clubs. They witnessed a thriller with Woodend claiming the four points and proudly holding the "Bill Tunn Cup" high after the seniors for the first time in over a decade. It was a close hard fought tussle played in great spirit from both teams with the Cats leading at every change but the Hawks five points up at the final siren. The boys certainly had a fire in their belly which Coach Ben Tankard and our supporters had been hoping for and they did not disappoint. BOG was James "Vista" Vistarini and Jordan Filakis booted 4 in a game with six individual goal scorers. Across the board it was a great team effort from which we hope to continue to build on for a successful season.

The Reserves impressed our supporters with a 44 point win displaying an even contribution from all players and Sam Adams again best afield in another dominant performance. The team is beginning to build momentum and are keen to continue their progression with continued hard work and hopefully success in the coming weeks.

The Clubbies went down 4 - 7 to 2 - 2 against Wallan at home on Friday night but this week we are back to a Saturday game opening the action against the Rams with all teams across the codes fronting up at Rockbank for a full day of Footy and Netball.

NETBALL

A Grade set the challenge for the Senior footballers winning for the first time in our Clubs history against the Cats by 16 goals to now be sitting 3rd on the ladder. Although the Cats had a few players out, our girls led from the outset and were able to float some different combinations, which will be valuable as we progress throughout the season. One of the changes Head Coach Carly Arkininstall applied was Laura Carland in GA instead of her usual mid court position and Laura didn't disappoint with 85% accuracy and

a sensational 28 goals. The new look team is starting to gel and is really enjoying their netball. Our u/19's continued their unbeaten season with a convincing win. Some early season injuries have been challenging but they are a versatile team, keen to continue and work on their great form. B and C Grades are still finding their feet with very competitive games and are working hard for continued improvement and more success. Congratulations again to Taylor and Britt with 50 & 100 club games respectively played last week, you are absolute Club Champions. The Bowen family is loved by everyone at our Club and we look forward to your next milestones.

VOLUNTEERS NEEDED

We have an amazing core group of volunteers and players who rock up every game day, training nights and work tirelessly to keep the hot food coming, drinks flowing, forms filled, scores recorded, gear available etc but this is a unique year for our committee with many of them actually involved in the football and netball departments therefore unavailable on game day for many of the jobs that need to be done ... Gate, Canteen, Goveys Bar, selling raffle tickets, general set up, clean up etc. If you are a player, partner, relative of player or member of our community who may want to be involved or just help out on the odd occasion please have a chat to President Paul Podbury or VP James Chettle or anyone you may know on committee about lending a hand on game days. Without our volunteers and sponsors we would not get our players onto the paddock and court each week.

MACEDON FOOTBALL NETBALL CLUB

Club Notes

Cheese & whiskers we thought it was cold at Macedon, but Saturday at Woodend was enough to cryogenically freeze you.

Cats celebrated some great milestones of our players. Clinton 'Gary' Burgess played his 150th game for the Cats. Burgo moved to Macedon in 2008, he is a triple winning premierships – having played in U18's, Reserves and Senior games. He has been voted Best on Ground an impressive 58 times and is one of the best defenders in the league.

Young gun Ryan 'Fish' Fischer played his 50th senior club game. Fish at the age of 19 played in our 2017 winning premierships side. Ryan is now part of our senior leadership group, he is not only a great player but also an all-round clubman, pitching in and volunteering wherever he is needed.

Another milestone was U19's player Darragh Collins who played his first senior game for Macedon. Darragh has come up through the

junior ranks, a genuine skilful player we hope this will be first of many senior games for him and wish him a long and successful career at the Cats.

It was a big day at Gilbert Gordon Oval we played to retain the Bill Tunn Trophy, after winning the award for the past 12

consecutive years, Woodend Hesket finally took out the game & bragging rights to the award. A Grade netball went down to Woodend Hesket for the first time in many years. Most of the team was absent as they were celebrating the marriage of our Chloe Wilson to long time partner Leigh Williams, Congratulations to you both – we wish you a long and happy life together.

Our first function for the year is on tonight – Darcy Nolan will be playing in our social rooms – Entry \$20 which includes as delicious supper.

GO CATS!

WESTERN WATER NETBALL REPORT

by RDFNL Netball Manager Grace Bibby

In recent weeks the RDFNL has struggled with finding good confident umpires following the affects of a missed season last year due to Covid 19.

It seems the issue with finding umpires is not just limited to our league though it is across the state.

So now more than ever it is so important to be looking after our umpires and treating them with the upmost respect while they act in an official role.

The RDFNL are lucky to have such a great umpires ambassador in James Matthews involved in the league.

James is one of 14 netball umpires across Australia named in the in the High-Performance Umpire Squad.

He will feature among our grand final umpires but this week is he lending a word of advice to anyone looking to start umpiring.

Don't Blame the Umpire - James Matthews

To quote a Netball Scoop article in 2017,

"A standard game of netball is 60 minutes. The ball has to be passed at least every three seconds. This results in the ball being passed (at an absolute minimum) 1,200 times a match. Every time a player catches the ball, an umpire has to check seven things involving the player with the ball and their opponent (footwork, contact, how they got the ball, obstruction, offside etc.)." Sarah Black, Netball Scoop, 2017.

An umpire, in one 60 minute game, can make more than 22,800 decisions (and non-decisions) in a split second - Which is no mean feat. Whilst decisional accuracy is paramount in becoming a successful umpire, interpretation of rules and movement of players based on the foundational techniques of umpiring (Position, Vision & Timing) is something even the most seasoned umpire doesn't always get right.

The fundamental role of an umpire, in all sports, is to understand and apply the rules

in the essence in which they are intended to enhance the game for both player and spectator enjoyment. It takes a mentally tough and highly skilled individual to be able to umpire, it's not for everyone. For those that do try their hand at umpiring, the fulfillment and enjoyment of being able to positively contribute to the sport they are so passionate about is extremely rewarding. However, the flip side of the coin is that the nature of our game does attract equally passionate supporters and players and being able to navigate our way through how to be leaders and resilient whilst on court is pivotal in our success.

Having the structured approach of Rule 13 , Game Management, a clearly defined code of conduct and knowing who to escalate concerns to allows the umpire to go about their business with the confidence that they can deal with any situation that may arise whilst on court. Building resilience is hard, however a pivotal component of our success as umpires, and having our rule knowledge and fully committing to immersing ourselves into the game we are umpiring (to the exclusion of all negative external factors) will hold us in good stead for this success. The old saying that the "Umpires are human too and make mistakes" is very true, but the standards are higher for those individuals given the pivotal role they play in the game which is also understandable.

The important thing to remember is, getting onto the court has been as a result of countless hours of work, dedication and commitment - so should be a celebrated achievement! The next time things don't go the way you hoped or you find yourself in a difficult situation, remember all the work you have done to get to this point to focus in on the task at hand. Mistakes are part of what we do sometimes, but learning from them is what makes us great umpires! If all else fails, ask yourself when was the last time people have had to make over 22,800 decisions and then - Don't blame the umpire.

Ontime gives us flexibility, and their experience means they rapidly understand our requirements and how to meet our needs.

STUART ADAMSON, HEARTLAND PARTS.

WESTERN WATER NETBALL PREVIEW

by RDFNL Netball Manager Grace Bibby

NETBALL PREVIEWS - ROUND 6

DIGGERS REST VS WALLAN

This will be game of the round. Both teams have started the year well and been on the good side of results against other powerhouse teams.

Wallan will go into the match as favourites as they remain undefeated but Diggers Rest will give themselves every opportunity to take the points.

Stef Symes has now settled into her new club and has put a run of impressive games together.

The matchup between the Diggers Rest defenders and the Wallan goalers will be one to keep an eye on.

Georgia Bowkett continues to impress for Wallan and will have a tough job on Alex Ball who makes the most of all her opportunities.

If it is a free flowing game, it will be a solid shoot out between Ball and Tanysha Salanoa.

Prediction: Wallan to win in a close contest.

WESTERN RAMS VS WOODEND HESKET

This is an important game for both clubs as Woodend Hesket look to remain in touch with the top four and Western Rams look to bridge the gap.

Western Rams have started the season 2-2 but a tough run in the next few weeks could see them in a trying position. Woodend on the other hand have played several of the top teams and sit outside of second spot by percentage alone.

Woodend Hesket defeated Macedon on the weekend and a win over Western Rams would consolidate their form.

Meg Grbac will have one of the toughest

assignments in the RDFNL when she comes up against Rebecca Hicks.

Prediction: Woodend Hesket to continue their good form with a win over the Rams.

MELTON CENTRALS VS ROMSEY

Romsey will be relishing the opportunity to come into a game fresh off a bye. They are a young group and a week to re group would have done them wonders.

Melton Centrals have also had a pretty tough run to start the year and it will be a good chance for both clubs to be competitive.

One team with produce their first win of the season but who it will be no one really knows.

If results are anything to go by you would expect Melton Centrals to take the points.

Prediction: Melton Centrals to record their first win of the year.

MACEDON VS LANCEFIELD

Macedon will be looking to get their season back in track following another loss. The loss wasn't all negative though as they competed for four quarters against Woodend Hesket while pretty much fielding their B grade team. Macedon wont be too far off full strength this weekend and should easily account for Lancefield.

They will however have to improved on their night time shooting which was an issue when they took on Wallan a few weeks ago.

Lancefield have an inexperience line up in comparison and will have a no fear attitude.

Jordyn Furness has labelled the Macedon defenders as her toughest opponents so she will be looking forward to the challenge this weekend.

Prediction: Macedon to return to the winners list.
