COVID-Safe Protocols & Guidelines

This week gone should serve as another reminder to all in the RDFNL community that we cannot become complacent in the fight against COVID-19. The virus unfortunately remains as part of our day to day lives and to keep our community safe and the RDFNL Competitions running each and every weekend, we need to adhere to guidelines.

Clubs are reminded to register with the State Government QR code and to have signage available for people to check in. Spectators are reminded to social distance and changerooms are for players and officials only, no parents or spectators should be entering the changerooms, before, during or after a match.

Keep a look out for the RDFNL COVID-Safe signage (example below) that should be displayed at each RDFNL venue for every training session and game day.

J8 Photography

Thanks to Duncan from J8 photography for his ongoing support of the League. Each Monday on the RDFNL Facebook page, we post an album of Duncan's photos from across the weekend.

Live Scoring

A reminder to all Clubs that live scoring is compulsory for RDFNL Senior matches. It is a simple task that is a one person

job and can be completed on any smart device. Please assist us in marketing our League with up to date live scores of all our Senior matches each weekend.

RDFNL TV

RDFNL TV has been launched in 2021 and thanks to our great friends at Adcell Group / Red Onion Creative for their coverage of the RDFNL in 2021. Each RDFNL Senior match is filmed each round and all matches are uploaded to RDFNL TV each Sunday. In addition, we have four highlights packages on our socials and a top 5 plays of the week. These tools are invaluable to the RDFNL and we hope that our followers and supporters are enjoying the extra coverage each weekend.

Club Notes

A reminder to Clubs to submit their Club Notes for the RDFNL Record each week by COB Tuesday night. This is a great way for Clubs to recognise sponsors, promote social functions or fundraisers and acknowledge their players and volunteers each week.

Many of our Clubs have not been taking advantage of this opportunity each week and I encourage all of our Clubs to participate.

Concussion Guidelines

The AFL has introduced new Concussion Guidelines for community football to further align with the Concussion Policy at the elite level. The AFL is taking concussion extremely seriously and we encourage all Clubs and relevant Club trainers to access the Guidelines and implement them at Club level to ensure any player who suffers a concussion is cared for appropriately and does not return to training or matches until it is safe to do so.

AFL Victoria Strategic Community Investment Fund

Round 2 applications for the AFL Victoria Strategic Community Investment Fund (SCIF) for 2021 are now open. The SCIF will provide grant funding of \$1.5 million per year for the next three years directly to local football Leagues and Clubs. The fund is part of the \$18 million investment into Victorian Community Football announced by the AFL in September 2019, the largest investment in community football in the state in more than two decades.

Applications are open and can be made via the online application form at the following link: <https://afvic.smartgrants.com.au/SCIF>. Please refer any queries or questions to the SCIF Advisory Board Secretary at scif@af.com.au.

ROUND 7 RDFNL PREVIEWS

with Grace Bibby

Wallan vs Riddell

Talking Points

Two heavy weights step into the ring today fighting for the top spot. Wallan have dominated most games they've played in 2021 while Riddell just seem to get the job done each week. If previous results are anything to go by this one will go down to the wire.

Both teams will be missing some players through injury but there is no doubting they are two premiership contenders.

Will the Bombers come out hungry or will the bye last week see them a little flat during the first quarter? We can't wait for this mouth-watering contest.

From the coaches

Wallan: We are not getting carried away with the victory we have our feet firmly on the ground. I was pleased with the way our players executed the game plan and played a solid four quarter game. We remain focused and have another big test this week against Riddell. Riddell move the ball well and play an exciting brand. It should be a fantastic game. We rate them highly.

Riddell: They are definitely the team to beat. We don't rely on just our forwards to win a game we have a very good spread. It will be a combined effort from our team. They are a flow on team if we have to try and pull them back it is going to be hard work. We are in better shape following our bye we have had a good chance to freshen up and I hope we start well.

Who to watch?

Wallan: Matt Perri just continues to dominate in the Wallan forward line. Diggers Rest tried gallantly but an eight-goal haul for Perri was just the beginning on a tough day. If Riddell cant nullify his impact it could be a case of dejavu.

Riddell: Last time Riddell played Jarryd Vernon kicked a bag of 10 majors. He will be hoping to take that form into the contest again today.

Prediction: After Wallan's dominate display over Diggers Rest last weekend it is hard to see them losing. Riddell wont mind going in as the underdog though.

Woodend Hesket vs Lancefield

Talking Points:

This game looms as a danger game for Woodend Hesket. Lancefield are looking for their first scalp of 2021 and while they were missing 13 senior players last week they were not convincing over Western Rams.

As was the case last week both coaches know each other reasonably well but whether Lancefield coach Tom Waters is out on the field or on the sidelines makes a huge difference.

From the coaches

Woodend Hesket: Lancefield will be giving themselves a huge chance of an upset. I have huge respect for Tom as a player and we are looking forward to taking him on. We are hoping to get 6-7 players back from injury so we will have a much stronger team on the park but The Rams played very well.

Lancefield: Woodend are very similar to us in that they have a new coach and will take time to gel. Every game is a game we can win if we keep applying what we are learning each week. I am sure Woodend will be ready to go this week. After their win over Macedon they will be ready to go and appear to be playing good footy.

Who to watch?

Woodend Hesket: Rory Alexander has been named in the best three weeks in a row and will be looking to continue that strong form.

Lancefield: Thomas Keane has impressed on the big stage recording his name in the best against Wallan and Macedon. This is a big game for the tigers and he will be looking to impress again this afternoon.

Prediction: Woodend Hesket to complete the month of May without a loss.

ROUND 7 RDFNL PREVIEWS

with Grace Bibby

Romsey vs Western Rams

Talking Points

For the first time this year Western Rams found themselves in a contest. It is great to see some positive signs from Western Rams on field after all their hard work during the off season. Romsey weren't as consistent against Melton Centrals playing just two big quarters of footy and running away winners by 52 points. If Western Rams continue with their max effort a winning result wont be too far away.

From the coaches/ captain

Romsey: We wont be experimenting this week. The Rams obviously played a lot better last week against Woodend Hesket. We hope to get a few players back and hope to get better with our skills and game plan.

Western Rams: If we bring the fight and hunger shown last week, I'll back us in for a very competitive game. 100% we believe in the second half of the season scores will be closer. Still some handy players to come back in for us later in the year. However, our main goal is to continue to improve each week.

Who to watch?

Romsey: Nathan Blair has had an impressive month in the middle for the Redbacks and most weeks he gets amongst the goal kickers. Giving great reward to his club.

Western Rams: Kristan Vance got plenty of the football in the Rams improved performance against Woodend Hesket and even kicked a goal. Both himself and Jacob Styles will have a big role to play in today's game.

Prediction

Romsey to take the points in this one.

Melton Centrals vs Macedon

Talking Points

A couple of big ins for Melton Centrals certainly bolstered their depth and made them more competitive. They won the third

quarter against Romsey but faded late which made the score line look far worse than it was. It was the undisciplined actions that would have frustrated coach Matt Sproule. Several 50 metre penalties and two players sent off. The two rotations down was a key factor in the last quarter blow out. Centrals also lose Curtis Schultz with a hamstring injury. Macedon were comfortable winners over Lancefield and will be looking to continue that form this week.

From the coaches

Melton Centrals: We were a little bit undisciplined on the weekend and probably let ourselves down. Shot ourselves in the foot and then we dropped away in the last 15 minutes when we were two rotations down. We want a more consistent four quarter effort this week. They are a very good team who keep the ball off their opposition and are extremely hard to score against. We haven't been kicking big scores anyway so we could be in trouble.

Macedon: Macedon have a lot of respect for every team in the competition and will be taking all their opportunities against the undermanned Melton Centrals. Macedon have said from round one until you've played everyone once you don't know what to expect and this week will be no different.

Who to watch?

Melton Centrals: Daniel Foley didn't miss a beat despite missing sever games. He looked dangerous with the football in hand and will be one to keep an eye on this week.

Macedon: It is the same big players that keep popping up in the Macedon forward line. Jason Cooke finished with four goals and Matt Dick three. Throw in Jack Kernan and a whole host of other players who are comfortable around goal and it's a pretty tough assignment for any opposition.

Prediction: Macedon to record two consecutive victories.

Club Notes

We hosted our second games under lights against Lancefield last weekend and what a fantastic day/night it was.

The U19s went down in the last quarter against Romsey after holding the lead all game, but the final few minutes the Redbacks proved to be a tad too strong. Oscar Barry played a sensational game along with big ruckman Lawson James. U19's netballers didn't have much luck either with Lancefield taking out the points 22 to 34. Macedon would like to thank all Lancefield spectators and players in both codes for their great sportsmanship, their club spirit and support. It was wonderful to see such a united club, hats off to Tom Waters, Andrew Bubb and all involved.

Reserved won their first game for the season! and what a game it was. Senior coach Al Meldrum pulled on the boots (one day short of his 40th birthday) and showed that the old bloke still had something left in the tank - booting an impressive 5 goals. We saw the return of Ben Blake who proved he had not lost any of skills, slotting 3 goals, the big man Ryan 'Friezie' Hickingbotham was back in the ruck and had his entourage Moose & Yak cheering loudly for him in the warmth of the social rooms. Great to have them all back at the Cattery.

Congratulations to Shaun Harro on playing his 50th senior game. Harro is a gutsy hard player with the ability fly when taking marks, a true gentleman, a wonderful club man and a genuine team player - Well done

Jason Cooke was our leading goal kicker for the day with a lazy 4 while Matt Dick, Hutchie, Harro and scar face Kernan all kicked 2 apiece.

Ryan Fischer was voted best on ground with Dave (The Enforcer) Morrice also polling high in the votes.

A B & C Grade netball all had wins; newlywed Chloe Wilson shot 44 goals of the 61 scored by Macedon while Hayley Matthews scored 11. Nellie Wilson in B Grade shone on court popping in a magnificent 29 of 50 goals recorded - massive effort Nellie. C Grade - the 3 shooters were Susan Eastman 16, Amanda Balme 14 & Amy Ilic 13.

GO CATS!

WOODEND-HESKET FOOTBALL NETBALL CLUB

Club Notes

This weeks round sponsor is long time sponsor Barkers Trailers - thanks for your continued support of our club!

It's apt that one of our long terms sponsors round is the day where one of our great club stalwarts Jesse Sheppard plays his 200th game! Congrats Shep and I hope you have a great day!

Football last week was another 3 wins across all the grades Clubbies and outstanding performance to field a team given the outs across the club. The Reserves continued to go from strength to strength - Kizza kicking 8. Our seniors with four new faces had a battle against Rockbank before coming out winners late, congrats to the Rams on their performance across the day. Look forward to the battle against Lancefield on Saturday!

Rockbank

Our netball department, sponsored by Elements Design & Build, had a great day out at Rockbank, winning 4 from 4.

Our young guns in the 19's continued their unbeaten season with a 14 goal win. They've been hit with injury and unavailability most weeks but have been lucky to have had a past league B&F winner Jess Martin come

up from the 17's team and Claire Oakley who is in the Vic State squad to keep us steady. Both girls have fitted into the team beautifully.

C Grade having led for the first half were really challenged by the Rams in the third quarter and only led by 1 going into the last. The team re-grouped and played strong and consistent netball to take out the win by 4. Captain Louise Marendaz was solid in the shooting ring being named best on.

B Grade had an intense battle as the game ebbed and flowed. Our Hawks girls dug deep to win in a nail biter by only 1 goal.

Amy Duff had a day out being named best on court in both 19's and B Grade.

A grade led from the outset with a dominant 4 quarters against a physical Rams side taking out the game by 14. Shooter Deanne Tuppen was in great form shooting 38 goals taking out best on court. A knee injury for our GA Elle Pierce early in the last was a disappointing end to a great day. We have everything crossed for positive news and wish Elle a quick recovery!

We can't wait to play the Lancefield Tigers at home today. Go Hawks!

Club Notes

Lancefield take on Woodend this weekend at the Nest, and we look forward to competitive games in both football and netball. This weekend marks the fifth week of away games for us and we are striving to end this stretch on a high note against strong opposition in Woodend. Preparations for the players' "Mid Season Ball" are well advanced and all are welcome.

Details on the Club's social media pages.

Major sponsors for the season are Lancefield and Romsey Community Bank, Ace Seating, Kilmore Trackside and Sharp & Carter Specialist Recruitment. We sincerely thank you all for your generous support of the Club this year.

WALLAN FOOTBALL NETBALL CLUB

Club Notes

Last week saw another busy week with the Netballers and Women's footballers participating in a SALT (Sport and Life Training) session with Fiona Themann. It was another excellent thought provoking presentation. Wallan FNC and Wallan District FNC presented a cheque \$1,000 to the Wallan CFA after the CFA Cup 20 20 cricket fundraiser match held earlier in the year.

On Friday night the Club 18s/Thirds played a very competitive game against Sunbury Kangaroos, with a big crowd in attendance to support the boys.

Then on Saturday everyone headed to Diggers Rest. The day began with a hotly contested Under 19.5s game, the boys eventually getting the lead and holding off a strong Diggers Rest team. Meanwhile the 19s netball and C Grade netball had excellent wins and B Grade played out a draw. Unfortunately Diggers Rest netballer Stephanie Barnes suffering a serious injury, we send Stephanie our best wishes.

The Reserves had their first big test for the season and in a low scoring encounter were able to come home

with a 13 point victory. A Grade netball saw the ladies suffer their first defeat of the season by 4 goals, I am sure the ladies will learn from the loss and bounce back this week. The Senior football saw a victory to Wallan.

After a big day out we headed home to enjoy the iPod shuffle. A great night was had by all in attendance. Thank you to Shaun Stewart and LZ Parkinson for organising the night.

On Sunday the Women played a very strong Diamond Creek team. Thank you to everyone who volunteered their time across the week and all the supporters who supported the teams both at home and away over the weekend.

Today will be a massive day for the club, we welcome Riddell FNC for a full day of netball and football. We also welcome Wallan FNC Past Players & Under 18/19s Premiership reunion from 2000, 2001 & 2002 and Wallan Auskick for ½ time matches. Welcome everyone and enjoy the day.

RIDDELL FOOTBALL NETBALL CLUB

Club Notes

We had a bye last week and meet Wallan today which should be an indication as to where we are at. Previous week saw victories in all grades of both football and netball with recruit Jarryd Vernon kicking a lazy 10 goals.

All new recruits have fitted in well and our

junior players in Jack Radford, Oscar Besanko and Oliver Powell are showing good form which augurs well for the season.

Round 7 is the players reunion of 2001 and 2002 premiership sides and we hope most of the players will be able to come along.

Listed below is our Social Calendar and you are invited to attend any function:

WESTERN WATER NETBALL REPORT

by RDFNL Netball Manager Grace Bibby

Burnout is real especially if you're an administrator, volunteer or a coach. Administrations, volunteers and coaches understand the 'can't wait for the season to be over' feeling. Sorry everyone else. The old 'buck stops with us' for results, organising and special requests can be extremely draining.

How do we prevent repeating this same feeling year after year?

I've got a few tips you might like to try:

1. Say no. If you've been asked to Coach more than one team....think again. Ask yourself, can I give 100% to more than one team? Whatever the outcome, be measured in your answer for 'yes' I can Coach two teams or 'no', I can only Coach one team
2. Organise an amazing Manager. This is one of the best decisions you'll make. Ask someone who is prepared to go above and beyond to make sure all those little things which can end up being huge things are attended to
3. If you are a coach prepare your sessions. Before the season even starts map out your sessions. Eg if you only have one hour per week, then introduce skills that builds the individual and creates a skilled team.
4. If you are an administrator map out your season. What needs to be done at the end of the year that can be in progress during the year, what needs to

happen on Saturday/Sunday that I can knock over early in the week.

5. Introduce a Facebook page or WhatsApp for communication with parents/players depending on the age of the players. The more that can be communicated to a group the more time you will save.

6. Upskill. If there are Coach Education Courses on offer, sign up. Point of difference between Coaches that want to improve and those who are babysitting can be in acquiring knowledge. Coach Education is empowering and brings new energy into your Coaching world

7. Control what you can control. If you cant change the outcome don't let it change you. Things are always going to happen outside of your control some times it is easier to just go with it than fight it. If you choose to fight it what are you getting out of it?

8. Be kind to yourself. Yes, it's a privilege to Coach players, to be involved in sport but, hey, pat yourself on the back because it is a privilege for them to be Coached by you and for them to turn up each week with equipment, umpires and scorers.

We are now reaching the mid-way point of the season and it is a great time to sit back, watch the smiles on everyone's faces and know you played a part in community sport in 2021.

Ontime gives us flexibility, and their experience means they rapidly understand our requirements and how to meet our needs.

STUART ADAMSON, HEARTLAND PARTS.

OUR PROMISE

Let Ontime focus on your transport and logistics and:

- 1 **WE** will **REDUCE** your delivery costs.
- 2 **WE** will **ELIMINATE** the pain points associated with running your own transport and logistics operation.
- 3 **WE** will **MINIMISE** HR and Industrial relations risks and issues.
- 4 **YOU** retain **CONTROL** over your transport and logistics operation.

WESTERN WATER NETBALL PREVIEW

by RDFNL Netball Manager Grace Bibby

NETBALL PREVIEWS - ROUND 7

And just like that there are no undefeated teams left in the A grade competition.

Wallan have been the dominate team in the competition for the first five round but it was Diggers Rest who prevailed in round 6.

The competition is tight at the top of the ladder with four teams currently sitting on 20 premiership points.

As we enter the middle stages of the season it will be interesting to see if Woodend Heskett can hang on to other clubs such as Wallan, Riddell and Diggers Rest.

Macedon currently sit 2 wins and three losses but you would have to be brave to write them off at this point.

All we know is we are excited to see some different clubs in the mix for the premiership and we can't wait to watch the rest of the season unfold.

WALLAN VS RIDDELL

The battle of the top two on the ladder. Both clubs are blessed with outstanding coaches and playing ability and the team that holds their nerve when the pressure is on will be the team that takes the points.

Riddell will come into the match fresh off a bye while Wallan will have to bounce back from their first loss of season 2021.

There is going to be some great contests across the court with such prolific players from end to end for both teams.

Chloe Meulenmeesters is having a great season for Wallan as is Georgia Bowkett and Gemma Grimmond but they are often over looked with the likes of Tee Salanoa in the team.

For Riddell new recruits Elly Randell and Ruth Smith have started to find some form and Kirby Elliot continues to go from strength to strength.

Wallan will be hungry to get back on the winners list and should come out all guns blazing.

Prediction: Wallan to win in a close one.

MELTON CENTRALS VS MACEDON

Macedon have had a tough start to the season but they have a few matches in a row where they can get their season back on track.

Melton Centrals have won just one game for the season and the Cats will be looking to bounce today.

Melton Centrals defeated Romsey and Eden Mitchell was once again a stand out in the mid court.

Defenders Ashlea Hyatt and Hayley Hill will take some confidence out of the win as well.

It was the strong start that secured the points for Centrals and they will need that and more to defeat Macedon.

It was great to see Janelle Birch back last weekend after a knee injury has kept her sidelined for the first five rounds.

Prediction: Macedon to take the points.

ROMSEY VS WESTERN RAMS

Romsey were pretty impressive against Melton Centrals last week however one bad quarter resulted in a loss.

If they can start a bit sharper that will go a long way to defeating the Rams.

Hope Evans is winding back the clock with a best on court performance for the Redbacks while Aleisha Tainui proved she can play at both ends of the court in her best on court performance for Western Rams.

Western Rams will be desperate to stay inside the top six and will need to win to ensure they do that.

Prediction: Western Rams to record their third victory of the season.

WOODEND HESKET VS LANCEFIELD

Woodend Heskett are easily the most improved team in the competition.

Their position on the ladder shows how far they have come from previous years and they now have the players to compete with the top teams.

Deanne Tuppen was named in the Hawks best for her 38 goals from goal shooter and she was well assisted by Sarah Duff in wing attack.

Meg Grbac continues to show her importance in defence with another impressive game.

Lancefield battled well against Macedon last week but after the first quarter they were never in it.

Michelle Rix tried a number of different combinations to no avail.

Jordan Furness was a shining light in attack shooting 29 of their 34 goals at above 80 percent.

Prediction; Hawks to continue their strong start to season 2021.
