Updated RDFNL Season Structure

Wasn't it great to have the football and netball back last weekend after missing two weeks and also the Queen's Birthday long weekend? Because the season lost the weekend of May 29th and June 5th, some changes had to be made to the season structure. Please note that Rounds 7 and 8 were re-scheduled for the weekends of June 19th and 26th with Round 9 now to be played on July 3rd and so on.

The re-scheduling of Rounds 7 and 8 means that the League can still have an 18 Round home and away season as planned with each Club playing 16 matches, 8 at home and 8 away and playing each opponent on two occasions.

Because two weekends were lost and no home and away matches lost, we had to make up two weeks of the season. The RDFNL has decided to push back the GF weekend by one weekend and also reduce the Finals Series from a top 5 over 4 weekends to a top 4 over three weekends. The RDFNL GF will now be played the same weekend as the AFL GF. The League will decide in the coming weeks whether the RDFNL GF will be played on the Public Holiday on Friday, September 24th or on Sunday, September 26th.

COVID-Safe Protocols & Guidelines

Thanks to all of our Clubs, players and spectators for staying vigilant in regard to the COVID protocols, a reminder to keep a look out for the RDFNL COVID-Safe signage (example below) that should be displayed at each RDFNL venue for every

training session and game day. Please continue to check in and socially distant so we can continue to play football and netball each weekend.

J8 Photography

Thanks to Duncan from J8 photography for his ongoing support of the League. Each Monday on the RDFNL Facebook page, we post an album of Duncan's photos from across the weekend.

Live Scoring

A reminder to all Clubs that live scoring is compulsory for RDFNL Senior matches. It is a simple task that is a one person job and can be completed on any smart device. Please assist us in marketing our League with up to date live scores of all our Senior matches each weekend.

RDFNL TV

RDFNL TV has been launched in 2021 and thanks to our great friends at Adcell Group / Red Onion Creative for their coverage of the RDFNL in 2021. Each RDFNL Senior match is filmed each round and all matches are uploaded to RDFNL TV each Sunday. In addition, we have four highlights packages on our socials and a top 5 plays of the week. These tools are invaluable to the RDFNL and we hope that our followers and supporters are enjoying the extra coverage each weekend.

Concussion Guidelines

The AFL has introduced new Concussion Guidelines for community football to further align with the Concussion Policy at the elite level. The AFL is taking concussion extremely seriously and we encourage all Clubs and relevant Club trainers to access the Guidelines and implement them at Club level to ensure any player who suffers a concussion is cared for appropriately and does not return to training or matches until it is safe to do so.

AFL Victoria Strategic Community Investment Fund

Round 2 applications for the AFL Victoria Strategic Community Investment Fund (SCIF) for 2021 are now open. The SCIF will provide grant funding of \$1.5 million per year for the next three years directly to local football Leagues and Clubs. The fund is part of the \$18 million investment into Victorian Community Football announced by the AFL in September 2019, the largest investment in community football in the state in more than two decades.

Applications are open and can be made via the online application form at the following link: <https://afvic.smartgrants.com.au/SCIF>. Please refer any queries or questions to the SCIF Advisory Board Secretary at scif@afl.com.au.

ROUND 8 RDFNL PREVIEWS

with Grace Bibby

Macedon vs Romsey

Talking Points

It is the battle between third and fourth on the ladder with Macedon currently two points clear. The team that wins will take third spot as of the half way point of the senior season. The Redbacks have quietly gone about their business this season. Macedon is the start of a tough fortnight of football and a win would set the young Romsey team up nicely.

From the coaches

Macedon: I think both teams have shown reasonable consistency this season so I expect it to be a good match up for both teams.

Romsey: Going by the ladder position both sides should be evenly matched so we would expect a tight and tough game.

Who to watch?

Macedon: Matt Dick played his 50th game for the club last week and what a player he has been in those 50 games. He is someone to watch week in and week out.

Romsey: Nathan Blair has been arguably Romsey's best player to date this season however there is a whole heap of young players capable of turning it on.

Prediction: Macedon to continue their winning ways with a comprehensive victory over the Redbacks.

Riddell vs Woodend Heskett

Talking Points

The Bombers versus the Hawks looms as a bit of a danger game for Riddell. After a recording their first loss last weekend Riddell will be looking to bounce back but the Hawks may have other ideas.

Riddell will go into this one as favourites but a big loss can derail the best of teams.

Woodend Hawks come into the match on the back of a win over Lancefield. Maybe the loss to Wallan is the wakeup call Riddell needed.

From the coaches

Riddell: We didn't handle coming back from the break well and they were ready to play. We just want to focus on getting ourselves fit. We have the runs on the board early with just one loss but Woodend Heskett are travelling okay as well. They are thereabouts and it will be a good contest.

Woodend Heskett: We face a huge challenge taking on Riddell but we are excited by the challenge. Our form has been mixed so we working hard and trying to become more consistent especially against the top teams.

Who to watch?

Riddell: Ben Donnelly was named best on ground last week in a game where nothing went Riddell's way.

Woodend Heskett: Rory Alexander was amongst the best players last week kicking four of their 7 goals. He will be looking for another big day out against the Bombers.

Prediction: Riddell to bounce back after their heavy loss at the hands of Wallan.

Diggers Rest vs Western Rams

Talking Points

While most people in the league would have forgotten about the Diggers Rest performance over Wallan the club and in particular the 22 blokes that ran out have not. Diggers Rest themselves have said their effort was embarrassing and they have had two weeks to stew on it. They will be

Lancefield vs Melton Centrals

Talking Points

Neither of these teams have been able to kick big scores in 2021 so this game could be a nail biter. Lancefield look as though they will get a few more players back in but following the break Melton Centrals look a bit healthier as well. Lancefield will have the home crowd advantage but Centrals will be hungry for a win having not sung their song since round 1.

From the coaches

Lancefield: We are looking forward to the contest this week. It is our first time back in front of our home crowd since round 2 so we are definitely looking to get our first win at home for the year. It was great to be back last week and the time away definitely came at the right time to help heal a few injured players. Hopefully 2 or 3 back in again this week and a win!

Melton Centrals: Lancefield have obviously improved and we will have to play really well to win. We need to hit the scoreboard more than we have in the first half of the year to record a win.

Who to watch?

Lancefield: Lukas Fellows has been in good form and will come into the game with a best on ground performance under his belt against Woodend.

Melton Centrals: Peter Aketch made it six consecutive matches where he has been named in the best for Centrals. He is very consistent and Melton Centrals could use a few more players like him.

Prediction: Melton Centrals to win in a close one.

out for a big win over the Western Rams this weekend. Western Rams had their best performance of the season in round 6 and will be wanting to continue with their improved form.

From the coaches

Diggers Rest: I think our guys just haven't been prepared to do the work for where we want to be. We have the list on paper but we just haven't been able to pull it together. Our effort against Wallan was disgraceful. It is onwards and upwards from here.

Western Rams: Diggers Rest are and have been over many years a finals contender. They recruit well and have a lot of depth. We are a brand-new team that are just starting to click. IF we can keep our momentum going in the right direction anything is possible.

Who to watch?

Diggers Rest: Last time they played they refused to name best players but Cole Laurie did play a lone hand in the forward line getting three majors.

Western Rams: Mitchell Portoglou has been named in the best in each of the four games he has played at Western Rams in 2021. He has been a shining light for the Rams.

Prediction: Diggers Rest to get their season back on track with a big win after a long break from football.

Q&A

WITH ZOE OLIVE

WHAT IS YOUR INVOLVEMENT WITH COMMUNITY BANK GISBORNE & DISTRICT?

I am a Customer Relationship Officer with Community Bank Gisborne and District and have been part of the Gisborne branch since it opened in November 2008.

WHAT DOES IT MEAN TO YOU TO BE SUPPORTING LOCAL COMMUNITY FOOTBALL AND NETBALL?

Go to any country town and the local football and netball clubs (junior and senior) are the heart and soul of the area. To see the effect of our sponsorship of the RDFNL on local kids' footy is just outstanding. We are so lucky to be part of this community. Seeing children learning to have pride in their club is beautiful.

HAVE YOU BEEN INVOLVED IN COMMUNITY SPORT OR MORE SPECIFICALLY THE RDFNL?

Yes! I have three sporty children who play football for the Rookies in the RDJFNL and I'm a team First Aider. My kids also play basketball for the Gisborne Bulldogs and I'm the club registrar so that keeps us busy.

WHAT IS YOUR BEST SPORTING MEMORY?

I was a Hockey player growing up and premierships wins aside, it was probably playing Country Week on the "show court" at the State Hockey Centre.

WHO'S YOUR TIP FOR RDFNL PREMIERSHIP GLORY IN 2021?

I think I'll back the local Riddell Bombers for seniors premierships glory this year.

Community Bank Gisborne & District is proud to be the Major Community Partner of the RDFNL

RIDDELL FOOTBALL NETBALL CLUB

Club Notes

Ventured to Wallan last weekend and it proved to be a most valuable indication as to where all football and netball sides stand for the finals.

The lack of ability to train as a group has had a significant effect on the fitness

of players and it was one of the factors in all football sides suffering heavy defeats.

Netball sides also did not fair well with only the senior side winning.

Hopefully everything is back to normal and we can train as a group both

football and netball.

Home to Woodend this week and we expect that we will return to the winning circle.

As with most clubs we are facing financial difficulties due to limited income

from lockdowns so members are asked to attend functions where possible.

If not already a social member please consider joining to help out the club.

Cost is \$120 per person and can be paid at home games or training nights.

Listed below is our Social Calendar and you are invited to attend any function:

Round 14 24/7 Mid Season Ball Witchmount Estate

Round 16 8/8 Sunday Reverse Draw Raffle

Round 18 21/8 Saturday evening Riddell Pub

Presentation Night to be confirmed

Additional functions are being planned and members will be advised when dates settled.

WOODEND-HESKET FOOTBALL NETBALL CLUB

Club Notes

Fantastic effort from all our young men and women in both codes last week at home hosting Lancefield. Congratulations to all as we had wins across the board in both Footy & Netball and after the week we had throughout the Ranges with the storms, the damage and property loss suffered and most of us without power for days it was an amazing effort from our Hawks community to have everything up and running smoothly for our home game, and to chalk up such great results.

A special mention must be made to the fellas and great sponsors at Woodend Sand and Soil . After the shocking amount of rain we had during the week the goal umpires at halftime in seniors expressed their concern at how wet the ground was behind goals, a quick call to Woodend Sand and Soil and within 15 minutes they were spreading sand while game in progress.

Away at RIDDELL this week ;

CARN THE HAWKS !!!

MILESTONES

This week marks 50 Club games for our quiet achiever Trent Laverie. Trent is a man of few words but leader by example and his fearless style of play and speed makes him one of our most valuable defenders week

in week out. Trent played his junior footy at Woodend before moving as a teenager to Airport West playing with Avondale Heights, until the lure of the nest bought him home to the Hawks bringing his younger brother Blake with him. Congratulations Trent and hopefully we see you bring up the ton with the Hawks in the years to come.

Shout out to one of our under 19 Netballers Gemma Baird, who last week debuted in A Grade with an amazing 88% accuracy and shooting 21 goals ... one of our young rising stars to keep an eye on!

Thanks to the amazing Anne-Louise Lindner for securing a

Club Change our Game Grant with which the Netballers have purchased some long sleeve training tops and funds to Celebrate Women at the Nest with an event to bring together players, parents, supporters and volunteers from the three Woodend Clubs and to support active participation, pathways for the future and further gender equality at the WHFNC.

Our sponsors of the round are hosts extraordinaire Fab and Zan at the Full Moon Saloon 69 High Street Woodend 5427 2347

With COVID restrictions and not being able to host functions at the nest they have given us the opportunity and a great venue to gather socially as a Club again.

Club Notes

It was great to get back on the field and courts after yet another lockdown. The crazy unpredictable weather that we incurred during the week finally abated and the sun even popped out at Tony Clarke for a while, conditions were conducive for all games.

Congratulations to Paul and all his players from Melton Centrals who took out the honour of winning the prestigious 'Weskon Cup' with 4 wins out of six. Well done, Centrals.

With no U19.5 game many took the opportunity to have a run in the Reserves, we saw the return of Seamus Lynch who not only scored a goal but also polled votes. Other goal kickers in a rather low scoring game were Tyson Christensen, Faria & Calopa.

Seniors had a tad more luck & skill taking out the match by 41 points. Cookie slotted through a lazy 3 while Cats had another 6

individual goal scorers. Brodie Hoyne proved that he wasn't just a quiz master but also a great strategist on the field and named best on ground.

*Bodie Hoyne -
the Chaser*

It was a mixed bag of results and some heart-stopping matches in the netball - A Grade won 55 - 22 with Chloe Wilson shooting a rather impressive 39 goals.

B Grade had the crowd on the edge of their seats. Going down by 3 in the final minutes of the game. Sam Nunan scored 24 goals. C Grade was another nail biter, again this one went right down to the wire Amy Ilic fought hard with 17 goals, but Centrals held on to win by 1. Final score 31-30. U19's put in a valent effort with 12 of the 21 shots scored, though Centrals had all the answers coming away with a 12-point win.

We would like to thank all our volunteers who came together on short notice so we could hold the games at Macedon. Without you all it would be impossible to get our players out on the field & courts.

GO CATS!

WALLAN FOOTBALL NETBALL CLUB

Club Notes

After the enforced COVID break we welcomed Riddell, their supporters and our players and supporters back. The sun shone and a great day was had. Huge thank you to Adam Birch and Stuart Broomfield for spending the whole day assisting everyone entering the ground to check in. Thank you to the Riddell and Wallan supporters, players and officials who abided by the COVID rules and helped to make the day enjoyable for everyone.

We also participated in Sockit 2 MND with all footballers wearing the MND socks with pride. Stevie Bell organised, purchased and distributed the MDN socks and beanies across the club, the Wallan Junior Football Club and Wallan District Cricket Club. Over the past four years Stevie has raised over \$22,490 for this cause. A fantastic effort, well done Stevie!

This weekend all of the netball teams and most of the football teams have a bye. On Friday night the Club 18s will be back in action against Western Rams at home and the Women's team host Darebin at 3pm on Sunday.

Thank you to everyone who volunteered their time across the weekend and all the supporters who supported the teams over the weekend.

WESTERN WATER NETBALL REPORT

by RDFNL Netball Manager Grace Bibby

It was great to be back playing netball on the weekend after a month of uncertainty while the majority of the state battled Covid 19 restrictions.

With round seven out of the way it is important to start making sure we are doing everything possible to make sure we are adhering to the by laws and preparing for finals.

Some areas of concern are always player qualifications.

It is also a timely reminder that no one can play any recognized Netball Victoria competition without registering with a VNA membership.

The league have been lenient with this to begin the season however fines and penalties will start to apply moving forward.

This is for the benefit of the individual should any injuries occur.

If you are unsure whether you have qualified for finals or have over qualified in a particular grade please refer to the by laws below.

By law 16 - Player Qualification - Seniors

(a) All other eligibility criteria and player registration rules and by-laws must be followed.

(b) Players may play a maximum of 2 matches per round, during the home and away season with their club in any grade, subject to part (e).

(c) A player who has played more than one match in a round in a day shall only have their higher match recorded as match played when determining finals eligibility. The second match will not count when determining finals eligibility. A 19 & Under player will have the underage & the senior grade match recorded as qualification matches for both age group/grade.

(d) Any team may list up to 12 players in any one match, and there will be no limit on the number of substitutions made.

(e) Any player who has played six (6) matches in a higher grade, cannot play in a lower grade for the remainder of the season (except 19 & Under players refer to 16(c)).

If a player is found to have played a game in lower grade after they have already played 6 games in higher grade they will lose premiership points for that round and the club will be fined \$100.00.

(f) Players must take the court in the match for it to be counted as a qualifying game. Players who remain on the interchange bench shall not have the match recorded as a qualifying game.

(g) Players in all grades must play at least four (4) matches in that season in one grade/age group to be eligible to participate in that grade's final series.

(h) A player can only play in one (1) finals match on the same weekend except for players in the 19 & Under competition who can play in two (2) matches maximum on the same weekend, as long as they have met the qualification requirements as stated in 16 (g).

Please also note if you are looking to bring in players all clearances must be complete before round 9 commences.

All RDFNL staff and board members are looking forward to the second half of the season and we hope there is less disruptions than in the first half.

If you have any questions regarding age criteria, player qualifications or clearances for players please contact the league via your netball coordinator.

We do not want to have to have these tough conversations in the lead up to finals.

Happy Netballing!

Ontime gives us flexibility, and their experience means they rapidly understand our requirements and how to meet our needs.

WESTERN WATER NETBALL PREVIEW

by RDFNL Netball Manager Grace Bibby

Round 7 was a long time coming but how good was it to be back watching our premier netball competition.

With a comprehensive victory over Wallan on the weekend Riddell have now put a big target on their backs as the competition favourites.

We always knew Riddell, along with Diggers Rest and Woodend Heskett has recruited well in the off season and its great to see some different teams leading the way this season.

Let hope round eight offers more exciting netball that turns the competition on its head.

RIDDELL VS WOODEND HESKET

Last week Riddell were very impressive against Wallan.

Defenders Kirby Elliot and Ash Hardy combined well on the defensive line and gave their opposition limited opportunities to score goals.

Woodend Heskett have been the big improvers this year and with the likes of Meg Grbac, and Deanne Tuppen at each end and reliable players linking up in the middle they are no easy beat.

Woodend Heskett were forced to fill the hole left by Eloise Pierce, but the Hawks were still able to score 60 goals at 75 percent.

Adam Boldiston is blessed with so much variety across the entire court and we know if it is not working early, he will make as many changes as he needs to find a solution.

Prediction: Riddell to win and cement their spot as competition favourites.

DIGGERS REST VS WESTERN RAMS

Diggers Rest will be hard to stop this weekend as they reflect back to their last game.

Defeating Wallan will have them riding high and they should easily account for Western Rams.

The Rams have struggled to win games but they have been competitive against the top four teams.

Is this the week they cause an upset?

To'o and Hicks are up there with the most dangerous attacking pair in the league.

Prediction: Diggers Rest to win comfortably.

MACEDON VS ROMSEY

Macedon have had a pretty rough start to their season but with Janelle Birch coming back in round six they looked a lot more settled on the weekend when they took the points over Melton Centrals.

Birch is a huge in for the Cats and we expect them to get their season back on track if she can stay on the court.

For Romsey they would have been much happier with their output against Western Rams going down by just 10 goals but it is still hard to see them defeating Macedon this weekend.

Prediction: Macedon to win easily over a struggling Romsey

LANCEFIELD VS MELTON CENTRALS

Melton Centrals will like their chances as they come up against a new look Lancefield.

Lancefield have several very young players who are just starting to make a name for themselves at senior level.

Darcee Ellard is a notable mention having played in several position as she makes a steady transition into senior netball.

This is a good opportunity for both teams to secure their second win of the season.

It will be a bit of a shoot out with Jordan Furness doing most of the damage for Lancefield in recent games and Katharine Dicker the same for Centrals.

The team that gets on top in the mid court battle will more than likely take the points.

Prediction: Melton Centrals to record their second win.

A MESSAGE FROM AFL VICTORIA TO EVERYONE ACROSS VICTORIAN COMMUNITY FOOTBALL:

Victoria has endured a challenging 18 months and while the latest lockdown tested many, it was fantastic to see community football back across the state on the weekend.

Our great game roared back to life with around 1200 clubs and 90 leagues in action, most for the first time in about a month after a small number of regional competitions played the week prior. Tens of thousands of Auskickers also returned to the field which was fantastic for kids and families.

In regional areas the crowd cap of 1000 outdoors saw many people head to their local clubs, and while we hope to have spectator limits increased further, it was a significant step in the right direction in bringing communities back together through football.

People in metropolitan Melbourne seemed to have largely played by the rules and respected the government's restrictions on community sport, which hopefully means we can see clubs thriving and spectators at their local football clubs soon in the numbers we're used to.

Leagues and clubs did a fantastic job in effectively communicating what the restrictions were and how important it was that they were adhered to, to help ensure the game can get back to normal soon.

AFL Victoria will continue to work closely with the Victorian Government and advocate on behalf of the game for what we hope will be a further easing of restrictions. More information will be provided to leagues and clubs as soon as it is made available by the government.

While we wait for more information, AFL Victoria wishes to say a big 'thank you' to everyone involved in community football – the leagues, clubs, players, coaches, umpires, volunteers and supporters.

It hasn't been an easy time and while we can't get complacent about the pandemic, the Victorian football community has played a big part in ensuring we have much to look forward to for the remainder of the 2021 community football season.
